Finance

FY13 audit reports
Edmister reported that the FY13 audit reports were complete and the Annual Financial Reports ("AFR") were filed with the Corporation for Public Broadcasting ("CPB"). The final step in the FY13 audit process is for the Iowa Public Radio, Inc. audit to be presented to the Board of Regents at their April meeting. Roger Nearymer with Cremers, Holtzbauer and Nearymer, P.C. will join Edmister at that meeting.

Director West asked if the issues with the KUNI audit discussed at the December 19 Board meeting had been resolved and Edmister noted that they had. This led to a discussion regarding the need to complete the request for proposal process for the FY14 and future audits. Director Firman suggested it would be more cost effective to exclude the Friends of KHKE/KUNI from the contract going forward. Edmister was directed to confirm with the University of Northern Iowa Controller that it was not necessary to include the Friends in the audit contract prior to issuing the request for proposal.

FY13 IRS Form 990
Edmister reported that the FY13 IRS Form 990 had been filed with the IRS by the February 15 deadline.

Edmister reviewed the financial reports through December 31, beginning by noting that operating revenue is under budget. Edmister reviewed the revenue variances by line item. Edmister noted that operating expenses are also under budget helping to offset the revenue shortfall. Edmister reviewed the most significant expenses variances including compensation and programming fees.

Edmister concluded by reviewing the cash holdings at each entity noting that cash forecasts had been prepared and are being updated in anticipation of divesting funds to cover shortfalls by year-end.

Director McCarroll moved and Director Larson seconded to approve the financial report as of December 31, 2013. By roll call vote, the motion was approved:

Edmister would schedule a meeting of the Finance Committee for May 19 to start discussions regarding the FY15 budget.
