INDEPENDENT AUDITOR'S REPORT

To the Board of Education San Francisco Unified School District San Francisco, California

We have audited the accompanying financial statements of KALW-FM Radio (a California Public Telecommunications Entity Operated by the San Francisco Unified School District), which comprise the statements of financial position as of June 30, 2017 and 2016 (as restated; see Note 7), and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and the standards required by the Corporation for Public Broadcasting, *Financial Reporting Guidelines*; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards required by the Corporation for Public Broadcasting, *Financial Reporting Guidelines*. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KALW-FM Radio as of June 30, 2017 and 2016 (restated), and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

As described in Note 1, the Station is not a legally distinct entity but merely a division of the San Francisco Unified School District and is adopting a FASB nonprofit model for reporting purposes.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS For the years ended June 30, 2017 and 2016

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Organization</u> - KALW-FM Radio (the Station) is a noncommercial public broadcasting radio station owned and operated by the San Francisco Unified School District. As a result, it is subject to the laws and regulations of the State of California and the policies of the San Francisco Board of Education.

Reporting Entity and Financial Statement Model - The Station is not an entity legally distinct from the San Francisco Unified School District. KALW is governed by the School District, which holds the FCC broadcast license and provides the in-kind use of School District facilities as well as other administrative assistance. Substantially all supportive revenue is raised by the Station and is provided by the general public and the Corporation for Public Broadcasting.

Because the majority of funding comes from the general public and the Corporation for Public Broadcasting and not the School District, the Station has adopted the Financial Accounting Standards Board nonprofit model as described in ASC 958-205.

<u>Method of Accounting</u> - The financial statements of the Station are prepared using the accrual basis of accounting, which reflects revenue when earned and expenses as incurred.

<u>Basis of Presentation</u> - Resources are classified for accounting and reporting purposes into three classes of net assets, according to externally imposed restrictions:

Unrestricted net assets - Net assets that are not subject to any donor-imposed restrictions. This class also includes restricted gifts whose donor-imposed restrictions were met during the fiscal year.

Temporarily restricted net assets - Net assets resulting (a) from contributions and other inflows of assets whose use by the Station is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Station pursuant to those stipulations, (b) from other asset enhancements and diminishments that are subject to the same kind of stipulations, and (c) from reclassification from (or to) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by passage of time, or their fulfillment and removal by actions of the Station pursuant to those stipulations.

Permanently restricted net assets - Net assets resulting (a) from contributions and other inflows of assets whose use by the Station is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Station, (b) from other asset enhancements and diminishments that are subject to the same kinds of stipulations, and (c) from reclassification from (or to) other classes of net assets as a consequence of donor-imposed stipulations.

There were no permanently restricted net assets as of June 30, 2017 and 2016.

(A California Public Telecommunications Entity Operated by the San Francisco Unified School District)

NOTES TO FINANCIAL STATEMENTS For the years ended June 30, 2017 and 2016

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

<u>Cash and Cash Equivalents</u> - Cash is defined as cash in demand deposit accounts as well as cash on hand. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and investments so near their maturity that the risk of changes in value due to changes in interest rates is negligible. These are generally investments with maturity dates within three months of the acquisition date.

A portion of the cash balances of the Station are included in a commingled account held by the Treasurer of the City and County of San Francisco to the credit of the San Francisco Unified School District.

<u>Equipment and Leasehold Improvements</u> - The Station records equipment and leasehold improvements at cost of acquisition, or, if donated, the fair market value at the date of donation. Depreciation is recognized using the straight-line method over the estimated useful life of each asset, which is five or ten years. The Station capitalizes all equipment and leasehold improvements with a cost in excess of the capitalization threshold of \$1,000.

<u>Contributions</u> - Contributions are recognized when the donor makes a promise to give to the Station that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

<u>Estimates</u> - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Income Taxes</u> - The Station is exempt from federal and state taxes under the exemption granted to the San Francisco Unified School District.

<u>Accounts Receivable</u> - It is the practice of the Station to expense uncollectibles only after exhausting all efforts to collect the amounts due. There is no allowance for doubtful accounts and, based on subsequent collections, management believes all amounts will be collected in full.

<u>Multi-Employer Retirement Plans</u>- In September 2011, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) No. 2011-09, *Compensation - Retirement Benefits - Multi-employer Plans (Subtopic 715-80) - Disclosures about an Employer's Participation in a Multi-employer Plan,* which was effective for fiscal years ending after December 15, 2012. However, because the Station does not participate in the multi-employer plans through the SFUSD, no disclosures are required in these financial statements.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting Standards, ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*- In May 2014, the FASB issued new revenue recognition guidance, which applies to most contracts with customers. The core revenue recognition principle is that revenue should be recognized as the organization transfers goods or services to customers/clients in an amount reflecting the consideration it expects to receive. This new guidance is effective for the Station for annual reporting periods beginning after December 15, 2017. In the opinion of management, the implementation of this standard will not materially impact these financial statements.

Accounting Standards, ASU 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (*Topic 958*)- In August 2016, the FASB issued new financial statement presentation guidance, which applies to most nonprofit financial statements. The new guidance will impact net asset classes, the presentation of investment return, and other changes, and is effective for annual financial statements issued for fiscal years beginning after December 15, 2017. The new standard is not expected to have a material effect on the Station's financial position, results of operations, or cash flows.

Accounting Standards, ASU 2016-02, *Leases* - In February 2016, the FASB issued amendments to the way lessees record lease transactions. Upon implementation, lessees will be required to recognize at commencement the right-of-use asset and a lease liability representing the lessee's obligation to make lease payments arising from the lease, as discounted, for all leases except short-term leases. This Standard is effective for annual financial statements issued for fiscal years beginning after December 15, 2019, and early adoption is permitted. Management is currently evaluating the impact the amendments to this ASU will have on the financial statements of the Station.

<u>Reclassification</u> - Certain balances at, and for the year ended June 30, 2016, were reclassified to conform with June 30, 2017, balances.

<u>Subsequent Events</u> - Subsequent events have been evaluated through January 2, 2018, which is the date the financial statements were available to be issued.

NOTE 2 GRANTS RECEIVABLE

The Station has received long-term grant commitments, which were receivable at June 30, 2017 and 2016, as follows:

Current portion	2017 \$ 224,807	2016 \$ 342,000
Long-term portion: 2018 Less: present value discount, 5%	<u>-</u> 	224,807 (10,791) 214,016
Total	\$ 224,807	\$ 556,016

In the opinion of management, all amounts are highly likely to be collected or were collected subsequent to year-end; therefore, no allowance for doubtful accounts has been recorded.

As part of a broader renovation of Burton High School, where KALW is located, the Station's offices and studios were renovated in FY17. Improvements to the space and structure were funded by voter-approved school improvement bonds, but broadcast-specific upgrades were funded by the Station itself. These upgrades include new studio consoles and furniture, a system to digitally interconnect audio production station-wide, and overdue updates to the Station's broadcast automation system. Total costs for these KALW-supported improvements, including capitalized and non-capitalized costs, totaled just over \$100,000 in FY17.

NOTES TO FINANCIAL STATEMENTS For the years ended June 30, 2017 and 2016

NOTE 4 TEMPORARILY RESTRICTED NET ASSETS

The Station is awarded grants which are received with donor stipulations that limit the use of the assets for specific purposes and/or for specific time periods. Temporarily restricted net assets at June 30, 2017 and 2016, were restricted to the following uses:

		2017	 2016

NOTE 5 IN-KIND CONTRIBUTIONS

Donated facilities include a transmitter and antenna site contributed by the City and County of San Francisco. This donation was recorded in both revenue and expense at estimated fair rental value. Donated facilities also include office, production and broadcasting space contributed by the San Francisco Unified School District. For the years ended June 30, 2017 and 2016, KALW-FM Radio recorded the value of the donated studio and office space as revenues and expense based upon the appraised value of the building and improvements to the San Francisco Unified School District. The value of the donated transmitter site was \$97,920 and the value of the office space was \$61,188, for a total value of donated facilities of \$159,108 for the year ended June 30, 2017. The value of the donated transmitter site was \$96,000 and the value of the office space was \$59,988, for a total value of donated facilities of \$155,988 for the year ended June 30, 2016.

In accordance with the Corporation for Public Broadcasting *Financial Reporting Guidelines*, KALW-FM Radio records as revenues and expenditures the value of donated volunteer services only when they create or enhance a nonfinancial asset and: 1) would typically need to be purchased by the Station if they had not been donated, and 2) require specialized skills and are provided by individuals with those skills who ordinarily charge fees for the same type of service donated.

Indirect administrative support from the San Francisco Unified School District consisted of an allocation of financial, accounting and certain other costs that benefitted the Station. During the years ended June 30, 2017 and 2016, the value of indirect administrative support was \$114,804 and \$123,161, respectively.

NOTE 7 PRIOR PERIOD ADJUSTMENT

During the year June 30, 2017, the Station discovered certain payments received prior to June 30, 2016, but not deposited until July 2016 were not accrued. As a result, a prior period adjustment of \$40,678 was recorded to increase accounts receivable at June 30, 2016 and increase unrestricted membership and subscription dues, gifts and bequests, and grants from business and industry.

NOTE 8 EMPLOYEE RETIREMENT SYSTEMS

All permanent employees of the Station are eligible to participate in the employee retirement systems offered by the San Francisco Unified School District. The types of plans offered vary based on the employee's status and the eligibility of each plan. The employer-funded portion of contributions made to the employee retirement systems on behalf of KALW employees was \$102,929 and \$105,612 for the years ended June 30, 2017 and 2016, respectively.

NOTES TO FINANCIAL STATEMENTS For the years ended June 30, 2017 and 2016

NOTE 9 OPERATING LEASES

In August 2014, the Station entered into an operating lease for a photocopier. The lease calls for 60 monthly payments of \$186. The Station also entered into an operating lease for a postage machine in April 2017 and a folding machine in May 2017. The leases are for a term of 63 months and call for minimum monthly payments of \$199 and \$133, resepctively. The lease expense, including other month-to-month expenses, was \$5,704 and \$4,968 for the years ended June 30, 2017 and 2016, respectively.

Future estimated minimum non-cancellable lease payments for the current and subsequent years are as follows:

NOTES TO FINANCIAL STATEMENTS For the years ended June 30, 2017 and 2016

NOTE 11 RISKS AND UNCERTAINTIES

The Station relies on a significant amount of funding received in the form of donations and grants from individuals and foundations to support its operations. The current global financial markets may have an impact on the level of funding provided by these funding sources. While it is impracticable to determine the impact of these events, management is taking steps to address potential changes in funding levels and reduce the Station's exposure to impact from these events.

NOTE 12 CONCENTRATIONS

The Station was the recipient of a grant commitment from one grantor that represents 100% of the grant receivable balance at June 30, 2017.
