5. During the last 12 months the station employment unit engaged in the following initiatives (provide full details, including an explanation if no initiatives were conducted during the period involved—Northern Community Radio is required to engage in 2 initiatives within a 2-year period):

1. Northern Community Radio participates in an annual scholarship program through Ampers, the Association of MN Public Educational Radio Stations. A \$1,000 Ampers scholarship is awarded annually to a student who is pursuing an education in broadcasting. The general manager (hiring authority) is Northern Community Radio's representative to Ampers. Northern Community Radio

contributes money directly to the scholarship fund. (vii) Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting;)

2-3. Northern Community Radio conducted 2 training classes for new on-air volunteers during the reporting period. The classes are open to all people, with no fee or eligibility criteria. The general manager, volunteer coordinator and music director team taught the classes. Each class met for 1 session, followed by observation sessions and supervised training. Dates of the sessions were May 15, 2017 and October 23, 2017. The classes provide a means by which community members can be introduced to radio programming careers and programming on Northern Community Radio specifically. After the classes there is extensive follow-up, with individual attention given to each volunteer who wishes to be on the air. In this reporting period 40 people attended volunteer training classes. Of the current staff, 4 of the 10 full-time staff were introduced to radio as a career through volunteer training at Northern Community Radio.

(viii) Establishment of training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions)
