5:49 pm Local News

## KBBI Community Calendar

Go to [www.kbbi.org](http://www.kbbi.org), under the “**Programming**” section, select “**Community Calendar**” to submit a nonprofit event (please submit them a week in advance). We read them a few days in advance of the event and rotate through all submissions so every announcement gets mentioned. We cannot guarantee how often they get mentioned; it all depends on how many we have. We are enforcing brevity in the description so we can mention more announcements.

## KBBI News

Our joint KBBI newsroom is a trusted source of local news across the Kenai Peninsula. With our reporter in Homer, Aaron Bolton, we are able to cover a wide variety of subjects, from breaking news to local arts and sports to coverage of local Kenai Peninsula Borough and local government. Our news team has been recognized statewide with dozens of awards over the years from the Alaska Press Club and the Alaska Broadcasters Association.

## KBBI Underwriting Information – On-air Messaging

KBBI is the most listened to station in the area and has been on the air since 1979.

- **Increase Your Visibility and Brand** among KBBI’s loyal, engaged, and well-informed audience.
- **Effective Communication.** Public radio listeners appreciate the non-commercial language and are less likely to tune out than other media formats.
- **Strengthen your image.** 80% of listeners agree that their opinion of a company is more positive when it supports public radio.

Because KBBI is an AM station, it reaches locations FM stations cannot. For more information on-air messaging, contact Alder Seaman at 235-7721 ext. 224 or [alder@kbbi.org](mailto:alder@kbbi.org).
