**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
The CSU, Chico Research Foundation  
North State Public Radio  
dba KCHO-Chico and KFPR-Redding

**Report on the Financial Statements**

We have audited the accompanying financial statements of the business-type activities of The CSU, Chico Research Foundation North State Public Radio, dba KCHO-Chico and KFPR-Redding (the "Station"), as of and for the year ended June 30, 2016, and the related statements notes to the financial statements, which collectively comprise the Station's basic financial statements, as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Station's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Station as of June 30, 2016, and the changes in its net position and its cash flows for the year then ended in accordance with principles generally accepted in the United States of America.

**Transactions with Related Parties**

As explained in Note 2 to the financial statements, the Station is part of The CSU, Chico Research Foundation and affiliated with California State University, Chico and has entered into transactions with these related parties. Our opinion is not modified with respect to this matter.

**INDEPENDENT AUDITORS' REPORT,  
CONTINUED**

**Other Matters**

*Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4-9 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated February 10, 2017, on our consideration of the Station's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Station's internal control over financial reporting and compliance.

**Prior Period Financial Statements**

The financial statements of The CSU, Chico Research Foundation as of June 30, 2015, were audited by other auditors whose report dated February 12, 2016, expressed an unmodified opinion on those statements.

**MANAGEMENT DISCUSSION AND ANALYSIS**  
(Required Supplementary Information)

# **The CSU, Chico Research Foundation North State Public Radio, dba KCHO-Chico and KFPR-Redding**

## MANAGEMENT'S DISCUSSION AND ANALYSIS

### **Introduction and Reporting Entity**

The following discussion and analysis is an overview of the financial position and activities of The CSU, Chico Research Foundation, North State Public Radio (NSPR), dba KCHO- Chico and KFPR- Redding Radio Station (the Station) for the years ended June 30, 2016, and 2015. Management of the Station has prepared the following discussion, and it should be read with the financial statements and related footnotes that follow this section.

The Station is licensed to The CSU, Chico Research Foundation (the Foundation) and operated by University Public Engagement of California State University, Chico (the University). The Station is an auxiliary component unit of the Foundation and operates under the same governing body.

The Station has significant relationships with the University and the Foundation. The Foundation is a not-for-profit auxiliary organization of the University and the official licensee for the Station. The University provides significant financial support to the Station in the form of cash for specific operating expenses, indirect administrative support, and the use of certain office furniture and fixtures. The Foundation provides human resources and payroll along with accounts payable and receivable services to the Station. The Station's operations rely significantly upon continued financial support from the University and administrative support from the Foundation.

The Corporation for Public Broadcasting is a key public funder for the Station. The annual grant is administered by the Office of Research and Sponsored Programs (RESP) and accounts for about 17% of annual income. Membership revenues are the largest source of income, at approximately \$400,000 annually or 33%. Corporate sponsorship via program underwriting is a significant revenue resource accounting for approximately 25% of operating funds.

The Station began broadcasting in 1969 from the campus of the University. Today the Station broadcasts to at least some part of the 12 counties that make up the University's service area, extending from the city of Yreka to the north to Yuba City to the south. The cities of Chico and Redding comprise the Station's largest audience and membership base. In rural mountain communities in Trinity County, NSPR is the only radio station, and small communities such as Susanville to the east, Mt. Shasta to the north, and Hayfork to the west value the Station as a source of outstanding local, regional, national and international programming. The Station complies with all FCC regulations for the Emergency Alerts System with weekly tests from across the region and critical weather and road alerts.

Every public radio station sets its own programming lineup. North State Public Radio is an affiliate of NPR, American Public Media, Public Radio International, and the Public Radio Exchange. The Station purchases programming from these national producers, along with independent national, regional, and local producers. A committed news team provides 15 newscasts per week, with at least one weekly feature story.

Listeners rely upon news and information from Station anchor programs *Morning Edition*, *All Things Considered*, and *Fresh Air*. Other popular programs include *Marketplace*, *A Prairie Home Companion with Chris Thile*, *This American Life*, and *Wait, Wait ... Don't Tell Me*. NSPR focuses primarily on news and information from a variety of programs, but also airs more than 10 hours of weekly original classical music programming and 12 hours of evening jazz. From midnight to 6 a.m., the Station carries live news from the BBC.

### **MANAGEMENT'S DISCUSSION AND ANALYSIS**

(Continued)

A complete program guide is maintained online at [www.mynspr.org](http://www.mynspr.org) and hard copies are mailed to members at least twice a year.

The Station's signal is distributed over two full-power transmitters and eight translators covering Northern California with a population of approximately 600,000. A live web stream is available at [www.mynspr.org](http://www.mynspr.org) and it reaches outside the terrestrial broadcast region to national and international listeners. NPR One, a mobile application, is localized to feature stories from NSPR. The Station is active on social media, with Facebook and Twitter accounts that are updated daily. Many local shows including *The Blue Dot Report*, *Cultivating Place*, *Nancy's Bookshelf*, *Weekend Showcase*, *Up the Road*, and *Songs from Studio C* are podcasted and can be found online and in the iTunes Store

The Station operates out of modern studios at 35 Main Street in downtown Chico. Staff participate in national conferences and professional development, as well as nonprofit resource groups in Butte, Tehama, Shasta, and Siskiyou Counties. All local nonprofits have free access to post community events for on-air and online exposure at <http://mynspr.org/community-calendar>.

This year, the Station sponsored a variety of area events and programs, including homeless programs, outdoor education organizations, holiday events in Oroville and Redding, The Chico State Institute for Sustainable Development, Gold Nugget Days in Paradise, and Tehama Together. A collaboration with the North Valley Community Foundation produced 12 weekly radio modules, four minutes in length that informed the listeners about the national suicide crisis text line, reading programs in local schools, mentoring for at-risk teens, youth court, Cuban women writers, water wells in Africa, gang activity diversion programs, the Chico Children's Museum and more. This program will continue in FY16–17 in collaboration with the Shasta Regional Community Foundation to spotlight work in Siskiyou and Shasta Counties.

### **Overview of the Financial Statements**

The financial statements of the Station consist of the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Net Position, Statement of Functional Expenses, and the Statement of Cash Flows (direct method). These statements are prepared in conformity with Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. The Station adopted GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*, and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. These statements establish standards for reporting deferred outflows of resources, deferred inflows of resources, and net position for all state and local governments. The Station has not identified any assets or liabilities that should be classified as deferred inflows or outflows of resources.

The Statement of Net Position includes Assets, Liabilities, and Net Position of the Station as of June 30, 2016 and 2015. This statement is classified into Current and Non-Current Assets and Liabilities, with Net Position classified as Restricted and Unrestricted. The Statement of Revenues, Expenses, and Changes in Net Position depicts the operating revenues and expenses resulting in Net Operating Revenues, which is then combined with Nonoperating Revenues (Expenses) to provide the total Change in Net Position. The Statement of Functional Expenses reflects program and supporting services among various functional expense classifications. The Statement of Cash Flows shows the sources and uses of cash from operating activities, cash flows from non-capital financing activities, cash flows from capital and related financing activities and

**The CSU, Chico Research Foundation**

MANAGEMENT'S DISCUSSION AND ANALYSIS  
(Continued)

cash flows from investing activities. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

**Financial Highlights**

The financial position of the Station declined during the fiscal year 2015–16. Net Position totaled (\$266,904) for the year ended June 30, 2016 and \$41,835 for the year ended June 30, 2015. The Station's Net Position decreased by \$308,739 and \$297,182 for the fiscal years 2015–16 and 2014–15, respectively. The decreases in 2015–16 and 2014–15 are primarily due to an increase in operating expenses.

The Station's Operating Revenues totaled \$1,822,346 in fiscal year 2015–16 compared to \$1,754,470 in fiscal year 2014–15. The Station's revenues include contributions received from listeners during on-air membership drives, monies from business, industry and nonprofit organizations through on-air underwriting, a major operating grant from the Corporation for Public Broadcasting and support, both direct and indirect, from the University. The Station's Operating Expenses totaled \$2,130,308 in fiscal year 2015–16 compared to \$2,052,275 in fiscal year 2014–15. The Net Operating Loss for fiscal year 2015–16 was (\$307,962), which included non-cash depreciation expense of \$5,391, while the Net Operating Loss for 2014–15 was (\$297,805), which included non-cash depreciation expense of \$23,073.

The Station's Nonoperating Revenues (Expenses) were (\$777) in fiscal year 2015–16 compared to \$623 in fiscal year 2014–15.

The Station's property and equipment, net of accumulated depreciation, totaled \$22,389 and \$4,474 at June 30, 2016, and 2015, respectively. Property and equipment additions in fiscal year 2015–16 totaled \$23,306. In fiscal year 2014–15 there were no property and equipment additions.

**North State Public Radio, dba KCHO-Chico and KFPR-Redding**

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

(Continued)

**Other Significant Matters**

In the fall of 2015 the Station hired a new General Manager, Beth Lamberson, who has helped the staff and University to imagine and reorganize a station that is more connected to the community and fiscally sound. With the rebrand, which was completed in the prior year, the Station communicates that NSPR is a radio network of two transmitting towers, KCHO-Chico and KFPR-Redding, as well as eight translators that allow for coverage of cover approximately 25,000 square miles of Northern California. The Station has completed a staff reorganization that provides steady news coverage, high quality production values, and sustained fundraising and underwriting revenues, while operating within its fiscal boundaries. In 2017 the Station will bring online a program automation system which will allow non-peak program hours to be aired without staff present in the studio, thus reducing non-essential labor costs and allowing the Station to focus staff resources towards creating news and cultural programs. The station has strengthened its commitment to community through partnerships with nonprofits and community foundations in several large communities in the listening area. Programming and operational changes reflect a commitment to news and cultural programming including locally produced programs, while being ever mindful of budget limitations.

NOTES TO THE FINANCIAL STATEMENTS

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization** KCHO-FM Radio (the Station) is licensed to The CSU, Chico Research Foundation (the Foundation) and operated by the University Public Events of California State University, Chico (the University). The Station is a fund within the Foundation and operates under the same governing body. These financial statements do not include financial data for the remainder of the Foundation's funds. The Station provides programs for residents in its northern California service area as well as providing instructional support in various areas for students of the College of Communication. The Station simultaneously broadcasts its programs on its Redding radio station, KFPR-FM.

**Basis of Presentation** Pursuant to the requirements established by the Chancellor of the California State University, the Station has adopted the provisions of Statement No. 35 of the Governmental Accounting Standards Board (GASB), *Basic Financial Statements—and Management's Discussion and Analysis—for Public Colleges and Universities*. With minor exceptions, this statement provides that public colleges and universities are subject to the financial reporting requirements of GASB Statement No. 34, which is applicable to state and local governments. The Station adopted GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*; and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*. These statements establish standards for reporting deferred outflows of resources, deferred inflows of resources, and net position for all state and local governments. The Station has not identified any assets or liabilities which should be classified as deferred inflows or outflows of resources.

The financial statements are prepared using the economic measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when incurred.

**Cash and Cash Equivalents** The Station's cash is deposited jointly with the Foundation's funds. Cash and cash equivalents are defined as short-term, highly liquid investments that are readily convertible to known amounts of cash and present insignificant risk of change in value because of a change in interest rates. They consist of cash on hand and in commercial checking, money market, and savings accounts in addition to deposits in the Local Agency Investment Fund (LAIF).

The Foundation has secured a contract for deposit of monies with Tri Counties Bank whereby all deposits will be subject to the security provided to local public agencies. The deposits are collateralized with securities held by Union Bank of California.

LAIF is managed by the state of California. The fair value of the Foundation's investment in LAIF is the same as the carrying value of the pool shares. As of June 30, 2016 and 2015, the fair value of LAIF is 100.03% of the carrying value and is deemed to not represent a material difference. There are no LAIF funds invested in derivatives as of June 30, 2016 and 2015. Oversight of LAIF is provided by the Local Investment Advisory Board (LIAB), which consists of five members as designated by statute. The chairman of the LIAB is the State treasurer or his designated representative. The Station is considered to be a voluntary participant in the LAIF investment pool.

**The CSU, Chico Research Foundation**  
**North State Public Radio, dba KCHO-Chico and KFPR-Redding**  
NOTES TO THE FINANCIAL STATEMENTS  
(Continued)

---

**Capital Assets** Capital assets are recorded at cost or, if acquired by gift, at estimated market value at the date of acquisition. Expenditures for repairs and maintenance are charged to operating expense as incurred. Expenditures for new construction, major renewals and replacements, and equipment over \$5,000 are capitalized.

Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method with a half-year taken in the first year. Useful lives range from five to ten years for broadcasting and other equipment. Depreciation expense was not allocated between functions and amounted to \$5,391 and \$23,073 for the years ended June 30, 2016 and 2015, respectively.

**Advances From Grantors** Advances from grantors include amounts received from grantor agencies that have not yet been earned.

**Accrued Expenses** Compensated absences costs are accrued when earned by the employees. Accumulated unpaid employee vacation benefits are recognized at year end as liabilities of the Station.

**Net Position** The Station's net position is classified as follows:

*Net Investment in Capital Assets:* Represents the Station's total investment in capital assets, net of outstanding debt obligations related to those capital assets. To the extent debt has been incurred for capital assets, but not yet expended, such amounts are not included as a component of invested in capital assets - net of related debt.

*Restricted Net Position - Expendable:* Includes resources in which the Station is legally or contractually obligated to spend in accordance with restrictions imposed by donors or by funding sources.

*Unrestricted Net Position:* Represents resources derived from operating and nonoperating activities. These resources may be used for current operations, capital expenditures, or for any other purpose, at the discretion of the governing board.

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, restricted resources are applied first.

**Operating and Nonoperating Revenues (Expenses)** All revenues that relate to the ongoing operations of the Station are included in operating revenues. Gains and losses not directly related to the ongoing operations are reported as nonoperating.

**Operating Expenses** Administrative overhead charges are included in operating expenses and are charged to the general administration function.

**Contributed Personnel Services** The estimated fair value of contributed professional and volunteer services is not recorded as the Station does not have a measurable basis for the value of such services.

**In-Kind Contributions** The estimated fair value of in-kind contributions are recorded only if the Station has a measurable basis for the value of such services or products. Donated transmission time,

**The CSU, Chico Research Foundation**  
**North State Public Radio, dba KCHO-Chico and KFPR-Redding**  
NOTES TO THE FINANCIAL STATEMENTS  
(Continued)

---

advertising, equipment, and accounting and computer services are not recorded as the Station does not have a measurable basis for the value of such services.

**Facilities and Administrative Support** Donated facilities from the University consist of office and studio space and related occupancy costs which are recorded in revenue and expense at their fair rental value. Administrative support provided by the University consists of allocated costs of the University, the Central Business Affairs office, and certain other expenses incurred on behalf of the Station.

**Functional Allocation of Expenses** The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of revenues, expenses, and changes in net position. Accordingly, certain costs have been allocated between program and supporting services based on total personnel costs or another systematic basis.

**Advertising** Advertising costs are expensed as incurred. Advertising expenses for the years ended June 30, 2016 and 2015, totaled \$9,848 and \$8,867, respectively.

**Income Taxes** The Station is included with the Foundation for income tax purposes. The Foundation is exempt from income taxes under Section 501(c)(3) of the *Internal Revenue Code* and Section 23701(d) of the *California Revenue and Taxation Code*. However, income from certain activities not directly related to the tax-exempt purpose is subject to taxation as unrelated business income. Expenses associated with the unrelated business income exceed the income or are insignificant. Accordingly, no provision for income taxes has been recorded. The Foundation functionally supports the University and has been classified in accordance with Section 509(a)(3), Type III.

**Estimates** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements as well as the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent Events** Management has evaluated subsequent events through February 10, 2017, the date which the report was available to be issued.

**Reclassifications** Certain reclassifications have been made to prior-year amounts to conform with current-year presentation.

## **2. RELATED ORGANIZATIONS**

The Station operates as an auxiliary component unit of the Foundation, which is a not-for-profit auxiliary of the University. The Foundation is the official licensee for the Station. The Foundation administers campus programs, grants and contracts, and other activities related to the University community, and performs certain accounting functions for the Station. The value of services provided is determined by the Foundation's management with reference to their cost and are included in these financial statements.

**The CSU, Chico Research Foundation**  
**North State Public Radio, dba KCHO-Chico and KFPR-Redding**  
NOTES TO THE FINANCIAL STATEMENTS  
(Continued)

---

The University provides significant financial support to the Station in the form of budgeted campus positions, cash for operating expenses, indirect administrative support, and use of certain office furniture and fixtures.

University support for the years ended June 30, 2016 and 2015, consisted of general appropriations of \$455,995 and \$420,443, respectively, to cover personnel costs and operating expenses; and facilities and administrative support of \$572,818 and \$545,907, respectively, for indirect administrative costs.

Operations are contingent upon continued support from both the Foundation and the University.

### **3. CASH AND CASH EQUIVALENTS AND INVESTMENTS**

#### **Custodial Credit Risk**

Custodial credit risk is the risk that in the event of a bank failure, the Station's deposits may not be returned. The Station's cash is deposited jointly with the Foundation's funds. The Foundation does not have a policy for custodial credit risk. As of June 30, 2016 and 2015, the entire bank balance was uninsured and collateralized with securities held by the pledging financial institution's trust department.

#### **Credit Risk**

The Station's investment policy does not limit its investment choices. The Station's deposits in LAIF are unrated.

#### **Concentration of Credit Risk**

The Station's investments are managed jointly with the Foundation's funds. The Station does not believe they hold any financial instruments which potentially subject them to concentrations of credit risk.

#### **Interest Rate Risk**

Interest rate risk is the risk whereby changes in market interest rates could adversely affect the fair value of an investment. The Foundation does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The average maturity for deposits held within LAIF is less than one year.

### **4. CAPITAL ASSETS**

The University and the Foundation have purchased certain equipment for the exclusive use of the Station. Legal title to these assets resides with the University and the Foundation. This equipment is included as capital assets in the accompanying statement of net position. There are liens recorded against some broadcast transmission equipment items received from grants to ensure their continued use for the granted purpose, usually for ten-year periods.

**The CSU, Chico Research Foundation**  
**North State Public Radio, dba KCHO-Chico and KFPR-Redding**  
NOTES TO THE FINANCIAL STATEMENTS  
(Continued)

Capital asset activity was as follows:

June 30, 2016	Beginning Balance	Additions	Retirements	Ending Balance
<b>Depreciable Capital Assets</b>				
Broadcasting and other equipment	\$ 535,923	\$ 23,306	\$ -	\$ 559,229

<b>Total Net Capital Assets</b>	<b>\$ 4,474</b>	<b>\$ 17,915</b>	<b>\$ -</b>	<b>\$ 22,389</b>
<hr/>				
June 30, 2015	Beginning Balance	Additions	Retirements	Ending Balance
<b>Depreciable Capital Assets</b>				
Broadcasting and other equipment	\$ 535,923	\$ -	\$ -	\$ 535,923
Less: Accumulated depreciation	(508,376)	(23,073)	-	(531,449)
<b>Total Net Capital Assets</b>	<b>\$ 27,547</b>	<b>\$ (23,073)</b>	<b>\$ -</b>	<b>\$ 4,474</b>

**5. ADVANCES FROM RELATED PARTY**

The Station received a cash advance of \$384,169 from the Foundation's general fund during the year ended June 30, 2016. These funds are due back to the general fund over approximately the next three years. As the Station is a component of the Foundation, this advance is an inter-company transaction with flexible terms.

**6. SELF-INSURANCE**

The Station, in association with the Foundation, participates with other auxiliaries and universities in the CSURMA, a public entity risk pool currently operating as a common risk management and insurance program. The Foundation pays an annual premium to CSURMA for its general liability, property, unemployment, and workers' compensation insurance coverage. Each member pays a premium commensurate with the level of coverage requested and shares surpluses and deficits proportionate to its participation in the risk pool.

CSURMA is economically dependent on its members for funding and has secured a commitment from members to provide sufficient cash flow to meet its operating needs and to fund losses over a period of time. The CSURMA has reinsurance policies through a joint powers authority as well as commercial companies.

**The CSU, Chico Research Foundation**  
**North State Public Radio, dba KCHO-Chico and KFPR-Redding**  
NOTES TO THE FINANCIAL STATEMENTS  
(Continued)

---

**7. COMMITMENTS AND CONTINGENCIES**

**State Allowances, Awards, and Grants**

The Station received state funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursements will not be material.

CPAS AND BUSINESS CONSULTANTS

Personal. Local. Global.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
The CSU, Chico Research Foundation  
North State Public Radio  
dba KCHO-Chico and KFPR-Redding

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of The CSU, Chico Research Foundation North State Public Radio, dba KCHO-Chico and KFPR-Redding (the "Station"), as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Station's basic financial station, and have issued our report thereon dated February 10, 2017.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the Station's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Station's internal control. Accordingly, we do not express an opinion on the effectiveness of the Station's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have been identified.

***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Station's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*, CONTINUED**

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Station's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Station's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
