“(I) such an English learner from one administration of the reading or language arts assessment required under paragraph (2); and

“(II) such an English learner’s results on any of the assessments required under paragraph (2)(B)(v)(I) or (2)(G) for the first year of the English learner’s enrollment in such a school for the purposes of the State-determined accountability system under subsection (c); or

“(ii)(I) assess, and report the performance of, such an English learner on the reading or language arts and mathematics assessments required under paragraph (2)(B)(v)(I) in each year of the student's enrollment in such a school; and

“(II) for the purposes of the State-determined accountability system—

“(aa) for the first year of the student’s enrollment in such a school, exclude the results on the assessments described in clause (I);

“(bb) include a measure of student growth on the assessments described in clause (I) in the second year of the student’s enrollment in such a school; and

“(cc) include proficiency on the assessments described in clause (I) in the third year of the student’s enrollment in such a school, and each succeeding year of such enrollment.

“(B) ENGLISH LEARNER SUBGROUP.—With respect to a student previously identified as an English learner and for not more than 4 years after the student ceases to be identified as an English learner, a State may include the results of the student’s assessments under paragraph (2)(B)(v)(I) within the English learner subgroup of the subgroups of students (as defined in subsection (c)(2)(D)) for the purposes of the State-determined accountability system.

“(c) STATEWIDE ACCOUNTABILITY SYSTEM.—

“(1) IN GENERAL.—Each State plan shall describe a statewide accountability system that complies with the requirements of this subsection and subsection (d).

“(2) SUBGROUP OF STUDENTS.—In this subsection and subsection (d), the term ‘subgroup of students’ means—

“(A) economically disadvantaged students; 

“(B) students from major racial and ethnic groups; 

“(C) children with disabilities; and

“(D) English learners.

“(3) MINIMUM NUMBER OF STUDENTS.—Each State shall describe—

“(A) with respect to any provisions under this part that require disaggregation of information by each subgroup of students—

“(i) the minimum number of students that the State determines are necessary to be included to carry out such requirements and how that number is statistically sound, which shall be the same State-determined number for all students and for each subgroup of students in the State;
“(ii) how such minimum number of students was determined by the State, including how the State collaborated with teachers, principals, other school leaders, parents, and other stakeholders when determining such minimum number; and
“(iii) how the State ensures that such minimum number is sufficient to not reveal any personally identifiable information.

“(4) DESCRIPTION OF SYSTEM.—The statewide accountability system described in paragraph (1) shall be based on the challenging State academic standards for reading or language arts and mathematics described in subsection (b)(1) to improve student academic achievement and school success. In designing such system to meet the requirements of this part, the State shall carry out the following:

“(A) ESTABLISHMENT OF LONG-TERM GOALS.—Establish ambitious State-designed long-term goals, which shall include measurements of interim progress toward meeting such goals—
“(i) for all students and separately for each subgroup of students in the State—
“(I) for, at a minimum, improved—
“(aa) academic achievement, as measured by proficiency on the annual assessments required under subsection (b)(2)(B)(v)(I); and
“(bb) high school graduation rates, including—
“(AA) the four-year adjusted cohort graduation rate; and
“(BB) at the State’s discretion, the extended-year adjusted cohort graduation rate, except that the State shall set a more rigorous long-term goal for such graduation rate, as compared to the long-term goal set for the four-year adjusted cohort graduation rate;
“(II) for which the term set by the State for such goals is the same multi-year length of time for all students and for each subgroup of students in the State; and
“(III) that, for subgroups of students who are behind on the measures described in items (aa) and (bb) of subclause (I), take into account the improvement necessary on such measures to make significant progress in closing statewide proficiency and graduation rate gaps; and
“(ii) for English learners, for increases in the percentage of such students making progress in achieving English language proficiency, as defined by the State and measured by the assessments described in subsection (b)(2)(G), within a State-determined timeline.

“(B) INDICATORS.—Except for the indicator described in clause (iv), annually measure, for all students and separately for each subgroup of students, the following indicators:
