What is a Horizon Member?

Horizon Members are members who choose to make monthly contributions to KCUR through Electronic Funds Transfer (EFT). Your regular financial support will help sustain KCUR as a valuable community resource.

Why should I become a Horizon Member?

It's easy on your budget.

You maximize your annual contribution by breaking it into 12 easy-to-manage monthly installments.

It's automatic.

Your monthly contributions are deducted directly from your checking account. We won't send you multiple renewal notices or pledge reminders.

Your membership will always be active.

You enjoy uninterrupted benefits of membership. This includes the KCUR MemberCard with any annual contribution of \$75 or more.

Your ongoing, sustainable support helps keep KCUR financially strong.

You provide us with a steady, dependable stream of income so we can project our cash flow and plan accordingly. You also help us reduce our printing, mailing, and administrative costs.

How do I become a Horizon Member?

1. Choose the amount you'd like to contribute to KCUR each month.
2. Fill out the enrollment form and return it to us with a voided check.
3. Your monthly gift will be deducted from your bank account on the 5th day of every month (no exceptions).

You're in complete control of your donation. You may discontinue or make changes to your Horizon Membership at any time by notifying KCUR in writing.
