CREATIVE LIVING

10-5-16

- **Connie Moyers** is going to demonstrate using a slow cooker to prepare healthy meals, and she'll show how to do "investment" cooking and buying to save time and money. Meal planning helps you avoid eating out so often and therefore preparing and feeding your family healthier.
- **Marjolaine Walker** is the owner and designer of *Twelve Stones Scrapbooking* and she's going to show some card projects made with coloring pages. She'll demonstrate using dual brush pens and the different ways to color with them.
- What's for lunch? The answer is kale but what is kale? **Carol Fenster** is an author and nutritionist, and she will explain what kale is, show various varieties and explain why it is so good for us. She'll also show how to make kale chips. Her company is *Savory Palate, LLC*.

10-12-16

- **Dr. J Tim Rainey** will talk about dentistry for young adults and what he means by the "\$6000 death spiral." He believes dentistry should be transformed to what is called a patient-centered health science. He's with the *Texas Institute for Advanced Dental Studies*.

- **Jeane Wharton** is with the *U S Dry Bean Council*, and she's going to talk about why eating beans is good for your health, including lowering your risk for heart disease and certain types of cancer. Beans also help curb the appetite and help fight Type 2 diabetes.

10-19-16

- **Ann Butler** and **Lisa Rojas** are publishers of an online magazine called *Bella Crafts*. Each issue is "chock" full of photographs, instructions, projects and ideas for crafts of all types. Various designers and crafters are featured, along with their area of expertise.
- **Michelle Ontiveros** is a clinical mental health counselor and she's going to explain what mindfulness is and why it's so important to keep us calm and self-regulated. She says it's important to be aware of our physical and emotional state.
- **Deborah Pace** is an artist and designer, and she's going to explain what a Zentangle is, tell how it got started and what supplies are needed. She'll also talk about all the different surfaces you can use to create this art form. Deborah's company is *AarTvark Cre8tions*.

10-26-16

- **Elena Etcheverry** is the founder and ED for *Charity Wings*, and she will show how to use a sewing machine to embroider a monogram onto a blanket. She explains that this can easily be turned into a home business and is one that she works with through her non-profit organization.
- Cookbook author, chef and teacher, **John Vollertsen** (known as Chef Johnny Vee) is going to demonstrate three recipes that show off how important salt is in making tasty foods. He'll also discuss different varieties of salt.. He's the owner of *Las Cosas Cooking School*.
- **Matthew Festa** is with *Guardians of Rescue*, and he's going to explain how to adopt a pet. He strongly suggests going through a shelter to reduce the 6-8 million companion animals that are killed each year.

11-2-16

- **Connie Moyers** is going to discuss different products and their containers in terms of discovering chemical look-alikes. This is especially important in terms of keeping young children safe. One such example is apple juice and power steering fluid.
- **Roxane Cerda** will introduce a range of coloring books that are unique in that the pages are pulled from the world of quilts and fabric. She says that coloring is not only fun, but it reduces stress and is a good way for everyone to learn more about color combinations. Cerda is Acquisitions Editor with *C & T Publishing*.
- Designer and seamstress, **Patty Dunn** will show how to roll a clean beautiful hem edge on the sewing machine, talk about machine set up, optional threads and show how to sew wire into a fabric edge. She is the owner of *All Dunn Designs*.

11-9-16

- **Bruce Johnson** is the spokesperson for *Minwax*, and he's going to show how to stain and create a photo display frame. Using an old empty picture frame, Johnson will turn it into a unique and easy way to display photographs, notes, lists, etc.
- **Carol Vander Stoep** is a dental hygienist, author and myofunctional therapist and believes no dentistry is the best dentistry of all. She'll discuss minimally invasive dentistry without anesthetic or drills and even says that decaying teeth can heal and she'll explain how this happens. Her book is titled "*Mouth Matters.*"
- **Janice Stahl** is a turkey talk-line expert with *Butterball*, and she's going to demonstrate recipe ideas for each season of the year, and talk about ways to save money by going to their website for click and clip coupons for promotions and cost-savings.

11-16-16

- **Patricia Bates** is an acupuncturist, herbalist and author, and she's going to explain how meditation is used in the healthcare industry. She'll discuss the benefits, the acceptance and the differences between various types of meditation. Her book is titled *Qi Gong Meditations for the Healthcare Provider, their patients and every BODY.*"

- Floral designer, **Carly Cylinder** will show how to use flowers from a simple wrapped bouquet to create an easy arrangement using the “spiraling” method, which is a basic technique of floral design. This technique creates an arrangement that you can drop in a vase - no floral foam or tape is needed! Her company is *Flour LA* and *Flour LA Jr.*

11-23-16

- **Lisa Rojas** is going to demonstrate how to work with earth-safe finishes and water-based paints when stamping and creating projects. Her demonstration will focus on iridescence paints. Her company is *Stampin’ Queen Creations*.
- **Michelle Ontiveros** is a clinical mental health counselor and she’s going to explain how aspects of generous attunement play a role in being authentic during therapy. She encourages her patients to not bargain but accept strong emotions in terms of accepting things just as they are.
- Creative director and designer, **Carina Gardner** will demonstrate a variety of projects and patterns that are easy for kids to do as parents help them learn to sew. Gardner’s businesses include *Carina Gardner, Inc.* as well as *MiniLou* and *Carta Bella Paper Co.*

11-30-16

- Did you know that bathrooms are the second most commonly remodeled rooms in the house? **Andy Wells**, Vice President of Product Design for *MasterBrand Cabinets*, will share some tips for homeowners who are considering a bath remodel.
- **Marjolaine Walker** is the owner and designer of *Twelve Stones Scrapbooking*” and she’s going to talk about bible journaling and how this is helping many people be consistent in reading it. Journaling bibles normally have large margins which provide ample room to journal, draw or doodle.
- **Nancy Siler** is going to show how to make a bold lacy chocolate cake that uses a chocolate version of the popular buttercream icing as well as malted milk balls for decoration. Nancy is with *Wilton Brands*.

12-7-16

- **Marci Baker** is a quilter and author, and she’s going to talk about different styles of hand quilting that are available, and how to select someone to quilt your piece. In addition, she’ll show samples of quilts that feature different piecing and quilting techniques. Baker’s company is *Alicia’s Attic, Inc.*
- **Emily Tatak**, Assistant Culinary Specialist with *Wilton Brands*, is going to demonstrate how to make a gumball cupcake. These would be adorable favors or decorations at a child’s birthday party, or for an afternoon get together.
- Cookbook author and dietitian, **Carol Fenster** will discuss how to grow and harvest your own herbs, how to store them and demonstrate some ways to preserve fresh herbs. Her company is *Savory Palate, Inc.*

12-14-16

- **Roxane Cerda** will show how the FunStitch Studio imprint offers a variety of books for young crafters to learn new skills, find projects and get inspiration. She’ll share some simple tips to make first attempts at sewing more successful. Cerda is Acquisitions Editor with *C & T Publishing*.
- **K. C. Pomeroy**, founder of *G-Free Foodie*, will tell about her online resource for helping people live deliciously gluten-free, as well as explain why people may want to consider a gluten-free diet whether they are gluten intolerant or not.

12-21-16

- **Dr. J Tim Rainey** will talk about biomimetic dentistry and the importance of maintaining the correct pH balance in our mouths. He strongly believes we should turn the need for repair of decay and treatment of periodontal disease from a “need” to a “choice” through education. He’s with the *Texas Institute for Advanced Dental Studies*.
- **Chef John Csukor** is a culinary consultant to the *California Fig Advisory Board*, and he knows that when California figs are added to baked goods, the finished recipe has a higher moisture content contributing to longer shelf life. In addition the rich flavors meld well with warm spices for a special treat!

12-28-16

- **Bruce Johnson** is the spokesperson for *Minwax*, and he's going to share some new uses for vintage crates and old boards. Whether you use actual vintage crates or buy unfinished ones, you can turn these into decorative and functional items to use around the house.
- Fish: It's So Versatile and according to **Pat Baird**, registered dietitian, fish has nutrition benefits that other foods just don't have. It's also easy to prepare and kid-friendly! Baird represents the *National Fisheries Institute*. Author and fitness guru, **Kate McKay** is going to talk about the components of a "living sexy fit" lifestyle which takes a holistic approach. She includes correct eating, exercise, and motivation. Her book is titled "*Living Sexy Fit...at Any Age.*"
