4-2-13

- The owner of *Creative Feet* made napkins using the Satinedge presser foot she invented for a blind and deaf sewer in 1986, which guides the fabric itself, and even children or adults with physical and visual challenges can enjoy sewing.
- talks about what to look for and how to get the most from the candles you buy.
- discusses the Florida strawberry growing season, selection, and storage and prepares a Strawberry/Banana smoothie for a quick and healthy breakfast.

-

4-6-13

talks about the “team of angels” project, and explains who receives these pins and how they benefit the recipients.

- explains the health and nutrition benefits of drinking 100% orange juice and how to make better food choices, which is important for people of all ages.
- shows the wonderful new card blanks available and simple card designs that are a pleasure to make that truly personalize a greeting.

-

4-9-13

- shares some time saving techniques for quilting based on the concepts in Meryl Ann Butler’s book on making a quilt in 90 minutes.
- demonstrates “Homestyle in a Hurry,” which means cooking like your mother or grandmother used to do, but with new shortcuts.

4-13-13

- explains how to compost all vegetarian waste in order to save landfill space and how to take steps to control nutrient waste.
- shows how to take a wooden wreath and various paints and a No Bake Polymer Clay to create a variety of fall home décor items.
- talks about healthy school lunches and snacks and easy ways to make nutritious lunches and snacks at home.

-

4-16-13

- shares some recipes to prove “a gravy mix can be a mealtime solution.”
- shows how easy it is to do dimensional embroidery by machine.
- demonstrates how to remove scratches and dents on furniture, how to remove varnish and other finishes and how to protect and seal unfinished wood.

-

4-20-13

- shows how to make your own faux chenille and use it to add embellishments to pillows, vests, sweatshirts, and much more.
- explains how to showcase a collection in your home and how it has to have some “age” on it to be interesting.

-

-

4-27-13

- shows how to take a “Block of the Month” quilt and adapt it to create home décor accessories.
- discusses how to help all children deal with bullying behaviors.
- talks about the many nutritional benefits of consuming fresh and dried figs.

4-30-13

- A sewing expert teaches Japanese tailoring techniques and shows examples of why this system works so well for home sewing.
- makes various pieces of jewelry using colorful safety pins and beads.
- shows the direct method of thread painting when the design has a low stitch density and can't be cut out.

5-4-13

- shows how free-form rotary cutting of fabric strips that are layered can “accidentally” create a beach scene on a quilt.
- makes dimensional canvases using a gel medium and heavy bodied acrylic paint. By adding a quote and/or a picture, it becomes a gorgeous piece of home décor.

5-7-13

- shows how to “almost” cook from scratch, designed for one or two member families.
- explains that sewing machines today are really just computers that sew and show how easy it is to add beautiful and fun embroidery to almost anything.
- makes quick and fun desserts and also explains how to combine a pound cake and various salads for interesting entrees.

5-11-13

- demonstrates ways to look ten pounds thinner.
- makes a delicious seaside toffee and tells the story about how this annual tradition first originated for the holidays.
- shows how to fit and design knit garments and will show sketches of various knit designs.

5-14-13

- discusses toy-buying information in regards to high tech toys, as well as toys for special needs children.
- shows various ways to decorate a tile to use in any room in the house.

5-18-13

- demonstrates how to use a paintstick primer on the background fabric and then use the grid as a guide for your quilted creation.
- talks about some of the actual chemicals used in skincare products, and explains how they may be contributing to serious health problems.

5-21-13

- prepares foods using organic products to ensure you know what your family is consuming.

- demonstrates how to do landscape art, which is similar to appliqué in that it uses smaller scraps of fabric and uses double stick fusible web to make placement easier.
- makes a themed mini scrapbook for special events and celebrations.
-

5-25-13

- explains that Freekeh is the perfect whole grain for vegetarians because it's flavorful and still provides an abundance of nutrients, such as protein and fiber that can be difficult to find as a vegetarian.
- shows how to work with a product called fantasy film, and make lots of "things with wings" that are quick and easy to do.
-

5-28-13

- shows how ordinary crayons can create works of art, combined with snips of fabric.
- makes an easy swirl buttercream cake.
- features the reverse appliqué technique and shows seventeen different patterns, which can be used on various garments and home décor items.
-

6-1-13

- demonstrates the technique called "chop and drop" for flower arranging.
- talks about the abundant selection of pre-packaged salads now available in most supermarkets, as well as all the add-ons that can be used.
- A motivational speaker explains how to know what you stand for and what is important to you in order to achieve this way of life.
-

6-4-13

- demonstrates some super salad recipes featuring nutritious, delicious peanuts.
- focuses on wall treatments, such as murals and appliqués that can be used alone or over existing wallpaper to add drama to a room.
- shows how to take embroidery "beyond the hoop" that can be used on garments or home décor items.

6-8-13

- demonstrates kitty sock crafting, which is a take-off from years ago when making sock monkeys was so popular.
- shows how to use Shiva paintsticks and StarBuilder stamps for texture to create wallhangings or holiday decorations.
-

6-11-13

- shares some tips for sewing with spandex and other knit fabrics.
- demonstrates several recipes from *Mrs. Cubbison's Best Stuffing Cookbook* that will be big hits anytime of the year.
- shows how to make adult and kids' fun cupcakes featuring decadent chocolate cupcakes and monster cupcakes.
-

6-15-13

- explains how to use Tulip's new fabric markers to decorate all sorts of craft items.
- cites research that shows that families who eat together tend to communicate better and demonstrates some recipes that will make your table a magnet for family dinners.
- talks about making a jacket from a sweatshirt.

• 6-18-13

- makes high-end body treatments like those found in luxury spas and salons.
- demonstrates how to use tapestry crochet graph paper to design tapestry crochet motifs.

• 6-22-13

- shows how to add impressive cookie detail by wafer-papering, which refers to the application of wafer paper to cookie tops using corn syrup as the "glue."
- discusses the steps parents and teachers can take to protect children from bullying and self-blame, while building resilience.
- shares some quick and easy tips to cut down on coughs and colds to keep the entire family healthy.

• 6-25-13

- talks about the self-help book, *The Gift of Changing Yourself*.
- shows how to incorporate Dupioni silk in different quilts and wall hangings. cites various examples of "real women" in the book *Ordinary Women...Extraordinary Success*.

6-29-13

- demonstrates how to sew a custom-fit swimsuit using easy sewing methods that are handy for any stretch knit fabric.
- shows how to make a framed butterfly wall decoration that includes a quote to make it personalized for the recipient.
