Discussion about dispelling myths about bone marrow donation and educational information to help the public better understand the process of donating bone marrow and how it saves lives. Bone marrow donation can help save lives for people suffering from leukemia and other blood cancers, as well as about 70 other diseases. The registration process for bone marrow donation has been simplified and is even offered online now at <a href="https://join.marrow.org/hope">https://join.marrow.org/hope</a>		

<b>ISSUE: Providing Family Services for Children in Need and Single Parents</b>		
<i>We ran the following program to address it</i> (Title): A Southwest Spotlight (with KENW News Director Janet Lyn)		
Date: 3/25/15 & 3/27/15	Time of Day: 9:20AM & 2:20PM	Duration: 5:00
TYPE A BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.): In-depth interview with Gary Cox and Bill Marshall of Portales, NM, about the New Mexico Christian Children’s Home and the programs and services provided for children in need around the country and for single parents. The residential program at the children’s home offers children from troubled family environments a chance to live in cottages with house parents in rural eastern New Mexico, attend public schools in the region and take part in a variety of community programs such as raising animals through 4-H and sports activities. The program’s goal is to help children have hope and realize their potential in life. The single parent program provides safe, secure apartments and support for single parents where they can raise their children while pursuing an education at nearby colleges and universities and/or job training so they can be empowered on a path to greater independence.
