George,
Hey, what's goin on man? I hope you had a merry Christmas & a happy New Year! My Christmas wasn't all that, just another day... That makes the 7th I've been away from my family & should be the last!
No worries on reimbursing me for stamp's. I only stay broke because I eat up all my money! Sometime's I sell some of my drawing's for $20-$50 depending on what it is. The only problem is that I'm slow at drawing because I have alot of other stuff goin on, as a result I'm occaisionly broke between project's. I've had a good run these last few months with the holiday's.
I don't know why that guy would say that kind of stuff knowing he isn't telling the truth... Maybe he gets some kind of satisfaction from it. Your guess is as good as mine! I've learned along time ago to not get my hope's up.
maybe I can learn something that will help. I plan on doing some of my own investigating. It doesn't seem like the police are interested in my sister's case any more. Maybe if she would
have been one of their kid's, they would have found something out by now.
At first I don't think the police believed me since I was just a kid. Then they brought out the K-9's and picked up her scent. Then all of the sudden they believed me. Go figure!
Well, I'm gonna close this letter for now so I can get it in the mail. I hope things are going good for you. Take care.

Matt.

Ps.
Any information you willing to share would be a big help!
