PROBABLE CAUSE AFFIDAVIT

The undersigned, of lawful age, being duly sworn, upon oath deposes and states as follows:

1. Kurt Merrill is a CLEET certified Police Officer employed by the Stillwater Police Department.

2. Kurt Merrill has conducted an investigation and based on the knowledge gained from that investigation of the circumstances, it appears as follows:

Adacia Chambers was arrested at 300 North Main Street Stillwater, Payne County, Oklahoma on October 24, 2015 at 1107. She was arrested because:

On October 24, 2015, at approximately 1030 hours, a Gray Hyundai Elantra was south bound on Main Street. Witnesses observed the defendant proceed through the intersection at Boomer and McElroy on a red light. The vehicle proceeded southbound on Main Street where defendant attempted to drive around a traffic barricade that was positioned to stop south bound traffic at the intersection of Connell and Main but struck the barricade pushing it to the side.

After passing the barricade witnesses stated they observed the vehicle continue south bound on Main Street without attempting to slow.

Witnesses attempted to flag down the vehicle in an attempt to get the vehicle to slow and stop prior to reaching the intersection of Hall of Fame Avenue and Main Street.

The vehicle proceeded south where a marked Stillwater Police motorcycle was blocking the south bound lanes of Main Street. The motorcycle was parked and angled across the lanes of south bound traffic to stop any vehicular traffic. The vehicle struck the police motorcycle forcing it into the crowd and defendant continued south toward a crowd of people gathered along the north edge of the intersection of Hall of Fame Avenue and Main Street, near the crosswalk.

The vehicle drove into the crowd, striking several people, then veered to the southwest where it struck people along the west edge of the intersection who were gathered near the crosswalk.

The vehicle continued until it came to rest on the southwest corner of the intersection of Hall of Fame and Main.

As a result of the impact by the defendant's vehicle Marvin Lyle Stone age 65, Bonnie Jean Stone age 65, Nikita Nakal age 23, died at the scene from injuries sustained in the collision. As a result of the impact with the defendant's vehicle, Male juvenile N.L. age 2 later died at Children's Hospital in Oklahoma City, OK as a result of his injuries sustained in the collision.

Due to the incident occurring during a parade event Officers were on scene immediately. In the vehicle the defendant was found to be in the driver's seat, and was the sole occupant of the vehicle. The defendant was taken into custody at the scene by Officer Shawn Millermon of the Stillwater Police Department. Millermon transported the defendant to the Stillwater Medical Center where her blood was taken by medical staff for testing. Millermon stood by as the medical staff completed the blood draw for the State's test. Millermon secured the test kit as evidence.

Millermon then transported the defendant to the Stillwater City Jail where she was processed into jail. Upon booking defendant admitted to having a history of suicidal attempts and admitted to booking staff that she was suicidal at the time of the incident but not at the time of booking. Defendant denied having any other medical conditions other than past treatment for mental health related issues.

The aforementioned offense(s) occurred in Payne County, Oklahoma.

**WHEREFORE**, based on the above information, your Affiant prays the Honorable Court find that probable cause exists to detain Adacia Chambers on the following charges:
