Always mindful of the protections afforded individuals under the Constitution of the United States and Constitution of the State of Oklahoma, it is clear the power to subpoena documents, records and other evidence, and compel the attendance and testimony of witnesses under oath across county boundaries, is an extremely effective tool in the investigation of criminal activity occurring in single or multiple counties across Oklahoma. The power to compel testimony has enabled the Oklahoma Multicounty Grand Jury to obtain the testimony of witnesses whose vital information would likely not have been obtained by other processes.

Likewise, the authority to subpoena different types of financial, business, and phone records has been pivotal in discovering and documenting criminal activity throughout the State without prematurely alerting those under investigation and giving them the opportunity to dispose of evidence, change their method of operation, or otherwise hinder lawful investigations.

The grand jury process serves an important function in the protection of a free citizenry in a representative republic such as ours. The Oklahoma Multicounty Grand Jury is composed of ordinary citizens from our State. We do not decide guilt or innocence, but rather, determine whether there is sufficient evidence which, if unexplained or uncontradicted and presented in court to a jury of one's peers, would prove the defendant's guilt beyond a reasonable doubt. When there is sufficient evidence of both type and quality, the grand jury's responsibility is to bring an indictment, or accusation of a crime, so that the State may require the indicted to face his accusers and stand trial. We have worked diligently and believe we have fulfilled our responsibility to the best of our ability in this regard.

The necessity and effectiveness of the Multicounty Grand Jury has been demonstrated by the assistance this body has rendered to numerous federal, state, and local law enforcement agencies investigating crimes within our state. In total, the Multicounty Grand Jury has assisted ninety nine (99) such agencies, as set out in *Appendix I* to this report. Most law enforcement agencies, whether it is an issue of manpower, resources, or authority, do not have all of the tools available to them that the Oklahoma Multicounty Grand Jury brings to the investigative table. This Multicounty Grand Jury has made a significant difference in many investigations.

## **II. GENERAL DESCRIPTION OF ACTIONS TAKEN**

The Fifteenth Oklahoma Multicounty Grand Jury, during the course of its investigations, issued three Accusations for Removal and returned fifteen (15) indictments charging a total of

twenty four (24) individuals as set out in *Appendix II* to this report. While in session, the Fifteenth Oklahoma Multicounty Grand Jury had occasion to investigate matters arising throughout the various counties and municipalities of Oklahoma. In numerous instances, the Multicounty Grand Jury directly assisted District Attorneys including David Prater, Mike Fields, Jason Hicks, Rex Duncan, Craig Ladd, Matt Ballard, Laura Thomas, Brian Kuester, John Wampler, Brian Hermanson, Emily Redman, Greg Mashburn, and Christopher Boring. The Multicounty Grand Jury has also worked closely with numerous Assistant District Attorneys from various districts. By obtaining testimony, the respective district attorneys and local law enforcement agencies were able to eliminate individuals as potential suspects, strengthen their investigations, make charging decisions, and/or further pursue leads resulting from testimony.

### **III. PARTICULAR AREAS OF INVESTIGATION**

We do not find it necessary to use this report to address every investigation covered by the Fifteenth Oklahoma Multicounty Grand Jury. This report details an area which we believe worthy of specific mention not previously addressed in our *Interim Reports*:

#### **I. Campaign Donations to Vic Regalado for Sheriff.**

On March 10, 2016, the Multicounty Grand Jury received a complaint dated March 7, 2016, regarding donations to the campaign of Vic Regalado, a candidate for Tulsa County Sheriff. It alleged illegal campaign donations made by numerous employees of ISTI Plant Services, a company based in Tulsa with operations largely taking place at a facility at the Port of Catoosa, and their spouses. The complaint specifically alleged violations of Ethics Commission Rule 2.18<sup>1</sup>, Rule 2.37(A)<sup>2</sup>, and 21 O.S. § 187.1(A)(3)<sup>3</sup>

<sup>1</sup> Prohibiting contributions in the name of another individual.

After hearing testimony and reviewing evidence, the Multicounty Grand Jury found no evidence to substantiate the allegations. The Grand Jury heard testimony from numerous witnesses, including the following employees named in the complaint: Glen Cole, Manuel Sigala, Santiago Barraza, Steven Scott, Daniel Sigala, Levi Gonzalez, Justin Gonzalez, Marcelo Cepeda, and Thomas Fawcett. During the course of the investigation, the company and its employees voluntarily provided financial documents and appeared before the Grand Jury to provide testimony. Additional records were secured by way of subpoena, including banking records of several employees. With the exception of two employees, each earned in excess of \$100,000.00 during calendar year 2015.<sup>4</sup> Included in their income were year-end bonuses of \$10,000.00 to more than \$150,000.00. Records show that bonuses were also provided to most named employees in previous years.<sup>5</sup>

The witnesses testified to a variety of reasons for donating to Sheriff Regalado's campaign. Most testified they thought he was the best candidate for the job. Two witnesses testified his family and Sheriff Regalado's family are from the same part of Mexico. Although there were discussions among the employees about candidates prior to donations being made, the employees maintained the donations were voluntary. One witness testified his father, who is a

<sup>3</sup> Prescribing criminal penalties for violations of Ethics Commission donation rules. The statute has further prohibitions against "straw" donations wherein an individual evades donation limits by donating through an "intermediary or conduit."

<sup>4</sup> One employee started in August 2015 and earns more than \$100,000.00 annually based on payroll data provided by the company. The only other employee earning less than \$100,000.00 did so by a few thousand dollars. Records for some employees were received as far back as 2013. The lowest income during the time period was about \$90,000.00.

part owner of ISTI, asked him to donate to Sheriff Regalado's campaign. Similarly, Mr. Barraza testified after meeting with Sheriff Regalado, he spoke highly to co-workers about Sheriff Regalado's qualifications to be the next sheriff. One witness testified Mr. Barraza asked that he consider making a donation to the campaign. The topic of the Tulsa County Sheriff's election was a popular discussion amongst employees. The county was going to elect its first new sheriff in several decades and the previous sheriff had left office after being indicted by a county grand jury. Each employee, however, testified he donated freely, voluntarily, and without coercion or force from personal funds. Each denied receiving funds in advance of their donation or to reimburse them for their donation.

## **VI. EXPRESSIONS OF APPRECIATION**

The Fifteenth Oklahoma Multicounty Grand Jury wishes to express our appreciation to several individuals and agencies who have contributed to a successful term. Specifically, we thank the Oklahoma Supreme Court for their Order convening the Grand Jury, and for their appointment of the Honorable Donald L. Deason, District Judge, Judicial District 7, as Presiding Judge of the Fifteenth Oklahoma Multicounty Grand Jury. Judge Deason and his staff always made sure we were comfortable and made every effort to accommodate our scheduling needs and the scheduling needs of our legal advisors even when Grand Jury sessions coincided with his own jury trial docket. Judge Deason is a great asset to the grand jury process, and we hope that he is willing to preside over future multicounty grand juries.

Additionally, we were especially impressed with, and would like to gratefully commend, the office of the Oklahoma County Public Defender, Bob Ravitz, and his staff for providing able legal counsel to indigent witnesses; to the Honorable Timothy Rhodes and the Honorable Rick

Warren, Jr., Oklahoma County Court Clerk, and their staff; and finally to City Reporters, who ably served as Official Court Reporters for the Grand Jury. Finally, we wish to thank our families and employers for their support and patience during our jury service.

## V. CONCLUSION

Based upon our experience, we believe the Oklahoma Multicounty Grand Jury serves as an essential, necessary, and invaluable tool for achieving the goal of fair, impartial, and adequate enforcement of the laws of the State of Oklahoma. We believe we have served to fulfill an important role in many criminal investigations where justice may not otherwise have been served. Information and evidence was obtained, investigations progressed, and many cases were solved that likely would not have been otherwise, but for the power of the subpoena and the authority of the Oklahoma Multicounty Grand Jury to question witnesses to crime. We are confident this grand jury has played an important role in many criminal investigations to help ensure justice has been served. We are pleased to have served as the Fifteenth Oklahoma Multicounty Grand Jury.

Respectfully submitted,

  
FOREMAN  
Fifteenth Multicounty Grand Jury of Oklahoma
