Count 4: 21 O.S. 1283 – Possession of a Firearm After Former Conviction of Felony

The facts in this affidavit come from my personal observations and information obtained from other agents and witnesses. This affidavit is intended to show that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about these matters.

Probable Cause

During the course of the investigation, your Affiant has learned the following: On July 22, 2016 charges of Child Sexual Abuse After Former Conviction of Two or More Felonies were filed against VANCE on July 22, 2016 in Lincoln County, Oklahoma.

On October, 23 2016 Oklahoma County Sheriff's Office (OCSO) investigators were asked by Lincoln County Sheriff's Office to assist in located a suspect that had just shot two Wellston Police Department (WPD) officers. It was reported that WPD Officers Sean Stewart and Jimmy Hampton responded to a disturbance call in Lincoln County involving subjects Michael Dale VANCE Jr. and Tony Heavner. During the initial questioning of Heavner and VANCE the subjects shot at Officers Stewart and Hampton. Both Stewart and Hampton were struck by gunfire in their lower extremities and taken to an area hospital for treatment. WPD officers returned fire towards the suspects. Heavner was apprehended by local authorities a short while later. VANCE fled the scene in a WPD vehicle.

VANCE, while fleeing in the WPD vehicle posted a video on the social media site, Facebook. In this video VANCE states he is in pain and there is what appears to be blood on his shirt. VANCE goes on to say he is about to steal another car and "this shit is going to be intense."

In a second Facebook video posted by VANCE, on Facebook, he is in a different car than the first video. Reports received by investigators indicate he stole a Lincoln Towncar and

shot a female in the process. On the video there is what appears to be a rifle or shotgun next to him in the vehicle. The vehicle occupied by VANCE in this video appears to be different than the vehicle he was in on the first video he published on Facebook. During this video VANCE states he has been shot and there appears to be a large amount of blood on the shirt he is wearing, which is pink in color.

At approximately 2130 hours on 10/23/2016 this Lincoln Towncar stolen by VANCE was spotted at 17110 NE 206th in Luther Oklahoma in Oklahoma County. Law enforcement officials responded to the scene. The OCSO Tactical Team was deployed to enter this house and take VANCE into custody. While still organizing details and gathering intelligence Oklahoma City Police Department helicopter, A1, was utilized to view the area from above. During A1's survey of the area a body was noticed outside the residence. A bomb robot with a built in camera was utilized to provide images to the operator. The operator of this robot was able to confirm definite signs or mortality on this deceased male, later identified as Ronald Wilkson. Due to this discovery, law enforcement agents on scene made entry into the house under exigent circumstances. Upon entry into the residence, law enforcement officers noticed a second deceased victim, later identified as Valerie Kay Wilkson. After learning there was not anyone in the house that needed emergency attention law enforcement officers exited the residence. Your affiant obtained a search warrant for this location and it was executed at approximately 2400 on October 24, 2016.

During this search of this location investigators recovered a pink T-shirt that is believed to be the shirt VANCE was wearing during the Facebook videos prior to these homicides. Investigators also recovered two 7.62 x 39 shell casings. This particular round is traditionally fired from an AK-47 style rifle. Investigators believe the rifle seen in the video posted on Facebook, the day before, on October 23, 2016 by VANCE is an AK-47 style rifle. Initial reports indicate that R. Wilkson was shot one time with the 7.62 ammunition. Wounds were found on R. Wilkson consistent with an attempt to sever his head. Investigators witnessed a large cut on Wilkson's neck. During the examination of V. Wilkson multiple stab wounds were observed as well as what investigators believe to

be defensive wounds on the arms of V. Wilkson. V. Wilkson too had a large cut on the side of her neck similar to the wound witnessed on R. Wilkson. Additionally, investigators also noticed a large cut in the arm/shoulder area of V. Wilkson. The size and depth of this cut led investigators to believe that VANCE was trying to remove V. Wilkson's arm. A large knife that appears to have blood on it was recovered in the kitchen sink.

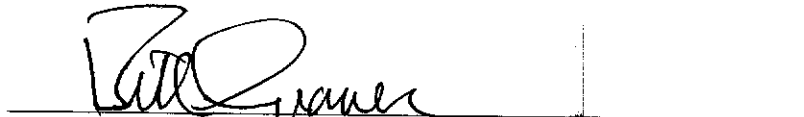

Family members of the Wilkson's informed investigators that the Mitsubishi Eclipse belonging to V. Wilkson was missing. Investigators determined the tag number associated with this vehicle is Ok 943LQQ. At approximately 0400 on 10/24/2016 your affiant received a telephone call from Oklahoma State Bureau of Investigations, Agent Derrick White. White informed me that a suspect matching the description of VANCE had just shot a store clerk at a gas station in Sayre Oklahoma. The victim was shot twice in the leg. The victim also provided officers on scene with a vehicle description that matches the vehicle taken from the homicide scene at 17110 NE 206th St in Luther Oklahoma.

Based on this information, the undersigned prays that this Honorable Court issue a finding of fact that probable cause exists that a crime has been committed and that there is probable cause to believe that Michael Dale Vance Jr. committed said crime.
