

## Language for bequests to benefit KLCC PUBLIC RADIO

through the Lane Community College Foundation

A bequest is a way of perpetuating a donor’s support for the role KLCC plays in the lives of others. It also enables a donor to make a major gift that might not otherwise be possible during life.

Through a bequest, a donor may leave to KLCC (through the Lane Community College Foundation, a 501(c)(3) organization) a specific dollar amount, for example, \$50,000, or may reserve for KLCC all or a certain percentage of the estate after provisions for family members and other beneficiaries have been made. The donor may stipulate whether the bequest is for the general support of KLCC or for a specific purpose. A bequest may also be made in honor or memory of another individual.

In addition to cash and securities, bequests may include real estate, works of art, or patent rights. Donors should consult with their legal representatives to determine the extent of any tax benefit associated with the bequest.

### Suggested Forms of Bequests
