COUNTY COMMISSION

August 14, 2018

Ms. Tabitha Lehman
Sedgwick County Election Commissioner
510 N. Main, #101
Wichita, KS 67203

Dear Ms. Lehman:

Per K.S.A. 25-3107, I request a formal recount of all ballots cast in the Republican Primary race for Sedgwick County 4th District County Commission.

Specifically, I request a hand recount of all actual ballots cast in the race – whether they were cast by machine or on paper – as well as all Advance by Mail ballots and provisional ballots.

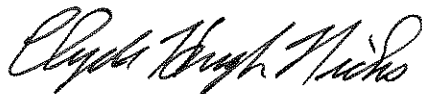

In the interest of transparency, I request that my opponent, Richard Ranzau, be asked by the Election Office to recuse himself from the recount panel. His presence in tabulating the recount would smack of impropriety.

I hereby appoint Sedgwick County resident Karen Langston to represent me as a poll watcher over the official recount process.

With this official request I include a cashier's check for \$1,000.00, the amount your office set as the surety bond for the recount.

At your earliest convenience, please advise me of the date, time and location of the recount.

Thank you.
