TIPS

Traffic
On the first weekend it is usually better to walk from the Egyptian to the Library and the Library to Holiday Village/Yarrow – it’s all downhill.

Don’t count on cars and vehicles giving you the right of way when you’re crossing the street.

Don’t stop in the middle of the street, whether you are walking or driving.

It is impossible to get ANYWHERE at 5 PM, unless you’re on foot. Have a cocktail somewhere and wait it out.

Transportation
Use the shuttle system/buses or take a cab. Parking is crazy.

If you need to be anywhere at a specific time and cannot miss it, don’t depend on a taxi because they will run out at times; book hourly service.

Book transportation in advance — NOT 2 hours before your flight back home.

Transportation companies get thousands of calls each day of the festival, try to book online (and not at 3am for a 5am pick up) or in advance.

Weather
Park City is a ski resort town, and it’s January. It will be Polar Vortex-feeling cold here the whole time.

The warmest day temp will be 39°, the lowest at night: 15°.

Drink lots of water to avoid altitude sickness.

Local Info
City staff will remove posters, signs, etc. hung illegally.

Physical lost & founds can be located at Park City Police – 435-615-5300; Park City Transit – 435-615-5350; Sundance Box Office and kpcw.org/lost-found.

KPCW offers a virtual lost & found. Submit your lost or found item at kpcw.org and we will post it on our website and announce it on-air.

Listen to KPCW on 91.9FM for local weather, traffic, local news and Sundance interviews.

INSIDER

Festival Tips
Uh, no. We don’t know who you are.

Use the eWaitlist: you can receive a waitlist # via any Internet capable device. ewaitlist.sundance.org

Get to the Sundance box office by 8 AM every day to swap up available unsold tickets for that day’s show.

Check out all the sponsored lounges for some free goodies.

Function over fashion — get some good boots:

Always have a snack on you.

Buses/shuttles will not go directly from the venue you’re at to the venue you want to be at in 5 minutes. They have designated routes. They stick to them.

See at least one film a day at the library. There’s good food there, it’s OK to eat in the theater.

If you wear fur — beware. SFF brings activists too.

Be nice to and thank the Sundance volunteers.

Have fun standing in line.

Groceries
Most grocery stores are open 24/7. Shop early in morning or late at night.

There are no grocery or convenience stores ON Main Street. The closest is a 7-Eleven on Park Avenue, eight blocks away from the bottom of Main Street, all down hill or on the bus route.

Alcohol
Grocery & convenience stores only sell ‘light’ beer (3.2). No wine or liquor — those live in the liquor stores.

Liquor stores are closed on Sunday.

Liquor stores will ALSO be closed Monday for Martin Luther King Jr. Day.

Last call at the bars is 1:00 AM.

Where the Bathrooms Are & A Couple Other Tips
Another service of KPCW, Park City's radio station, 91.9 FM kpcw.org

Theaters You Can Walk Between & not get killed 'cause there's a sidewalk:
• Egyptian Theater to Park City Library (1 mile, downhill)
• Egyptian Theater to Eccles Center (2 miles, downhill)
• Park City Library to Yarrow Hotel (1 mile, downhill)
• Yarrow Hotel to Eccles Center (1 mile, relatively flat)

CAUTION: Eccles Center to from PC MARC; No Sidewalks along some of Lucky John Drive and Monitor Drive
