

“EEO Annual Public File Report for Friends Of 88.5 FM 2015 through 2016

"On August 31, 2016, Friends of 88.5 became the licensee of KNKX (formerly KPLU)(Facility ID # 51199) (KVIX #91468, KPLI #91212 and KPLK #173038) after having consummated the acquisition of the assets and license for those stations from former-licensee Pacific Lutheran University (314 Application for consent to assignment of broadcast station license). The new licensee has conducted no recruitments during the month since consummation and therefore has no recruitments to report at this time. However, the Station Employment Unit (SEU) of Friends of 88.5 has rehired, as of August 31, 2016, those members of the KPLU Station Employment Unit who will continue to work for the station. A list of those KPLU SEU members who made the transition to the Friends of 88.5/KNKX SEU can be made available to the Commission if necessary. Each of those former KPLU SEU members was originally hired by the former licensee, Pacific Lutheran University, either as a result of recruitment that complied with FCC EEO Rule 73.2080, or prior to March 10, 2003, the effective date of that Rule."
