Independent Auditor's Report

Audit and Fiscal Responsibility Committee Chair
University of Arkansas System
2404 N. University Avenue
Little Rock, AR 72207

We have audited the accompanying financial statements of KLRE-FM/KUAR-FM as of and for the years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise KLRE-FM/KUAR-FM's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KLRE-FM/KUAR-FM, as of June 30, 2015 and 2014, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

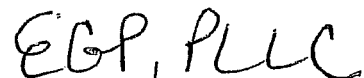

As discussed in Note 1, the financial statements present only KLRE-FM/KUAR-FM and do not purport to, and do not, present fairly the financial position of the University of Arkansas at Little Rock, Arkansas, as of June 30, 2015 and 2014, the changes in its financial position, or, where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified in respect to this matter.

Other Matters

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2015, on our consideration of KLRE-FM/KUAR-FM's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KLRE-FM/KUAR-FM's internal control over financial reporting and compliance.

(A DEPARTMENT OF THE UNIVERSITY OF ARKANSAS AT LITTLE ROCK)
Management's Discussion and Analysis
For the Years Ended June 30, 2015, 2014, and 2013 (Unaudited)

Introduction and Reporting Entity

The following discussion and analysis is an overview of the financial position and activities of KLRE-FM/KUAR-FM for the years ended June 30, 2015, 2014, and 2013. Management of KLRE-FM/KUAR-FM has prepared the following discussion, and it should be read with the financial statements and related footnotes which follow this section.

KLRE-FM/KUAR-FM is an instrumentality of the State of Arkansas and is governed by the Board of Trustees of the University of Arkansas, whose members are appointed by the Governor of Arkansas.

KLRE-FM/KUAR-FM's primary function is to maintain noncommercial educational telecommunications facilities within Arkansas and to provide transmission of noncommercial educational telecommunications programs throughout the central part of the State.

KLRE-FM and KUAR-FM are licensed to the Board of Trustees of the University of Arkansas. KLRE-FM and KUAR-FM broadcast two separate program streams, both originating from Little Rock, Arkansas. The two stations reach an estimated 300,000 households, and out of that number approximately 80,000 persons listen each week. Contributing membership consists of approximately 3,500 households.

Overview of the Financial Statements

KLRE-FM/KUAR-FM's financial statements present the two radio stations and their component units.

Funds from UALR and the Friends of KLRE/KUAR are reported as blended component units. Friends of KLRE/KUAR is a citizen support organization which solicits funds to be used to support program production and broadcasting of public radio. Funds are held in the University of Arkansas Foundation.

The financial statements of KLRE-FM/KUAR-FM consist of the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Net Position and the Statement of Cash Flows (direct method). These statements are prepared in conformity with Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*.

The Statement of Net Position includes Assets, Liabilities and Net Position of the Commission as of June 30, 2015 and 2014. This statement is classified into Current and Non-Current Assets and Liabilities, with Net Position classified in the categories as noted above. The Statement of Revenues, Expenses and Changes in Net Position depicts the operating revenues and expenses resulting in Net Operating Income (Loss), which is then combined with Non-Operating Revenues (Expenses) to provide the total Change in Net Position. The Statement of Cash Flows shows the sources and uses of cash from operations, cash flows from non-capital financing activities, cash flows from capital and related financing activities and cash flows from investing activities. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

Financial Highlights

KLRE/KUAR had a decrease in its Net Position of \$89,507 by June 30, 2015. This change followed an increase of \$171,558 at the end of FY 2014, and a decrease of \$96,628 at the end of FY 2013, for a total decrease over the 3 year period of \$14,577. The decrease for FY 2015 was due to decreases in Program Underwriting and Contributions raised by Friends, as well as a decrease in Non-Operating Revenues. Net position for the year ending June 30, 2015 totaled \$813,542, \$903,049 for the year ending June 30, 2014 (FY 2014), and \$731,491 for the year ending June 30, 2013 (FY 2013).

Operating Revenues were at \$758,678 for FY 2015, compared to \$1,045,790 in FY 2014, and \$864,299 in FY 2013. Program Underwriting was down \$52,188 from FY 2014 at \$212,072 with the underwriting coordinator on medical leave for three months. Program underwriting was \$264,260 in FY 2014 and \$267,285 in FY 2013. Contributions raised by Friends were significantly down in FY 2015 at \$418,430 as compared to \$657,170 in FY 2014. FY 2014 figures included a one-time gift from a revocable trust of \$156,792; however, FY 2015 Contributions were also down from FY 2013 at \$471,371. Decrease in FY 2015 was partly due to the retirement of the development director, a position that was unfilled for five months of FY 2015, and to some internal problems with the UALR Development Office, which processes payments for the Friends. The UALR Development Office reimbursed KLRE/KUAR for the problems with \$23,032, which is included in Operating Transfers from UALR.

KLRE/KUAR's Operating Expenses decreased by 4% in FY 2015 compared with the previous fiscal year, with totals of \$1,265,498 in FY 2015, \$1,320,279 in FY 2014, and \$1,389,170 in FY 2013. The Net Operating Loss for FY 2015 was \$506,820, including non-cash depreciation expense of \$51,029, compared with a \$274,489 loss in FY 2014, including \$48,030 in non-cash depreciation and \$524,871 in FY 2013, with non-cash depreciation of \$53,290.

1. **Summary of Significant Accounting Policies**

Nature of Operations

KLRE-FM/KUAR-FM (“KLRE/KUAR”), a department of the University of Arkansas at Little Rock (“UALR”), is comprised of two licensed public telecommunications radio stations. UALR is both the licensee and operator of the radio stations. KLRE/KUAR presents national public radio news and classical jazz music and is dedicated to bringing fine arts programming to listeners throughout the central part of Arkansas.

In accordance with UALR’s policies, certain cash, pledge and investment accounts of KLRE/KUAR are held and administered by the University of Arkansas Foundation, Inc. (“UAF”), a legally separate nonprofit entity. The UAF administers and invests gifts and other amounts received directly or indirectly as a result of fund-raising activities of various units of UALR and other affiliated entities related to UALR. Accounts held at the UAF for the benefit of KLRE/KUAR are included in these financial statements.

Principles of Operations

KLRE/KUAR has adopted Government Accounting Standards Board (“GASB”) Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*, which incorporates Financial Accounting Standards Board (“FASB”) pronouncements and Accounting Principles Board (“APB”) opinions issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails. Although a significant amount of KLRE/KUAR’s resources are derived from general contributions and support from the Corporation for Public Broadcasting Radio Community (“CPB”) and UALR, its accounting policy is to prepare its financial statements as a business type activity, rather than as a governmental fund type, since the CPB prefers the recipients of its funds to utilize this basis for financial statement presentation. Accordingly, KLRE/KUAR utilizes the economic resources measurement focus and the accrual basis of accounting. This basis of accounting recognizes revenues in the accounting period in which they are earned and become measurable and expenses in the accounting period in which they are incurred and become measurable.

Operating revenues and expenses are distinguished from other revenues (expenses) items. Operating revenues and expenses generally result from providing services in connection with the principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues (expenses), but remain a major component of the overall revenues and expenses of KLRE/KUAR.

Cash and Cash Equivalents

For purposes of the statement of cash flows, KLRE/KUAR considers all highly liquid cash investments with a maturity of three months or less to be cash equivalents. For financial statement purposes, funds are held by UALR and the UAF on behalf of KLRE/KUAR.

1. **Summary of Significant Accounting Policies (continued)**

Accounts Receivable

KLRE/KUAR utilizes the allowance method of accounting for uncollectible accounts receivable. Amounts are written off at the point when collection attempts have been exhausted, which is based on individual credit evaluation and specific circumstances of the donor. Management uses significant judgment in estimating uncollectible amounts. In estimating uncollectible amounts, management considers factors such as current overall economic conditions, industry-specific economic conditions, historical donor performance and anticipated donor performance. While management believes KLRE/KUAR's processes effectively address its exposure to doubtful accounts, changes in economic, industry or specific donor conditions may require adjustment to the allowance recorded by KLRE/KUAR. At June 30, 2015 and 2014 management had recorded an allowance for doubtful accounts of \$4,313 and \$7,176, respectively.

Capital Assets

All property, plant and equipment is valued at cost. Except for donated equipment which is capitalized at the fair market value at the date of donation. Maintenance and repair costs are charged to expense as incurred. Depreciation is computed on the straight-line method for financial reporting purposes, based on the estimated useful lives of the assets which range from 3 to 30 years. Interest costs are capitalized when incurred on debt where proceeds were used to finance the construction of assets. KLRE/KUAR capitalizes all purchases over \$2,500 and a useful life over one year.

Investments

Investments consist of marketable securities at the UAF and are presented on the Statements of Net Position at fair market value based on quoted market prices as of June 30, 2015 and 2014. Any concentration of credit risk from investments is expected to be insignificant.

Deferred revenue

Deferred revenue represents payments for program underwriting received in advance of the program broadcast.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and unrestricted net position. Gifts received with a donor stipulated time restriction are reported in restricted net position. When the donor stipulated time restriction ends, the contributions are reclassified to unrestricted net position.

1. **Summary of Significant Accounting Policies (continued)**

Functional Allocation of Expenses

The costs of providing the various program services and other activities have been summarized on a functional basis in the statement of revenues, expenses and changes in net position. Accordingly, certain costs have been allocated among the program and supporting services on the basis of benefits received and based upon management's best estimate.

Donated Facilities and Services

UALR provides the use of certain office and studio space to KLRE/KUAR. The value of such use is recorded based upon the estimated fair market value of the facility usage during the period of occupancy. In addition, administrative support is received from UALR which consists of allocated financial department costs and other expenses incurred on behalf of KLRE/KUAR. All such support from UALR is recorded as an operating transfer.

Tax Status

KLRE/KUAR is considered a political subdivision of UALR and, therefore, is exempt from income taxes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Use of Restricted Funds

When both restricted and unrestricted resources are available for use, it is KLRE/KUAR's policy to use restricted resources first, then unrestricted resources as they are needed.

Subsequent Events

Management has evaluated subsequent events through December 17, 2015, which represents the date the financial statements were available to be issued.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Audit and Fiscal Responsibility Committee Chair
University of Arkansas System
2404 N. University Avenue
Little Rock, AR 72207

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of KLRE-FM/KUAR-FM ("KLRE/KUAR"), as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise KLRE/KUAR's basic financial statements, and have issued our report thereon dated December 17, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered KLRE/KUAR's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of KLRE/KUAR's internal control. Accordingly, we do not express an opinion on the effectiveness of KLRE/KUAR's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether KLRE/KUAR's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
