Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of North Fork Valley Radio, Inc. as of September 30, 2018, and 2017, and its changes in net assets, cash flows and functional expenses for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS
September 30, 2018 and 2017

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization – North Fork Valley Public Radio, Inc. (the “Organization”) is a Colorado nonprofit corporation incorporated in 1978 as a non-commercial public radio broadcast station. The Organization broadcasts in the surrounding counties of West Central Colorado, providing entertainment, cultural, educational, and informational programs. The Organization is supported primarily by funding from the Corporation for Public Broadcasting, memberships, underwriting, and fund-raising.

Basis of Reporting – The Organization’s financial statements have been prepared using the accrual basis of accounting.

Financial Statement Presentation – The Organization reports its financial position and activities in three classes of net assets; unrestricted, temporarily restricted and permanently restricted. The Organization does not have any permanently restricted net assets as of September 30, 2018, and 2017.

Cash and Cash Equivalents – For financial statement purposes, the Organization considers all highly liquid investments with an original maturity of twelve months or less to be cash equivalents.

Receivables – Accounts Receivable consists primarily of amounts due for underwriting. As of September 30, 2018, and 2017 management has deemed all accounts to be collectable; therefore, no allowance for uncollectible accounts is necessary.

Property and Equipment – Property and equipment are recorded at cost. Donated property and equipment are recorded at fair value at the date of donation. The Organization capitalizes all property and equipment with an initial cost of \$5,000 and a useful life of more than one year. Depreciation is calculated using the straight-line method over estimated useful lives between 7 - 30 years. If donors stipulate the use of property and equipment, it is recorded as restricted.

Contributions – Contributions received as well as collectible unconditional promises to give are recognized in the period received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. Support that is restricted by the donor is reported as unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. Temporary restricted net assets are reclassified to unrestricted net assets when the donor restriction is satisfied. Conditional promises to give are recognized when the conditions on which they depend are substantially met.
