

Greater St. Mark Family Church has been a cornerstone for the Ferguson community. Last August, when the Ferguson community found itself in crisis, Reverend Tommie Pierson and his congregation opened their church as a place for community fellowship. **Greater St. Mark Family Church soon became a meeting place for people of all ages looking to heal Ferguson and a divided St. Louis.**

Because of its position in the community, Greater St. Mark's Church is the perfect place to host the summer camps facilitated by faith-based, 501(c)(3) Jamison Memorial Human Resource & Development Agency (JMHRDA). **This year the two organizations, along with Project Greatness, have come together to ensure that 120-150 at-risk children who reside in North St. Louis County will have a fun, nurturing and empowering summer in a safe, clean environment.***

Like any non-profit organization, there are costs associated with this program. On top of the typical costs, **Greater St. Mark Family Church was vandalized** early this Spring leaving about \$150,000 worth of damage including the loss of its HVAC system. Fortunately, Organized Labor and others have stepped in to help but there are still outstanding expenses. A breakfast will be held on July 9th to help recuperate the costs needed to repair the building and support the costs of the summer program.

Please join us in helping Rev. Pierson and his Congregation and the children who will benefit greatly from the summer camp:
