SAINT LOUIS COUNTY DEPARTMENT OF PUBLIC HEALTH
REQUEST FOR PROPOSALS
FOR CORRECTIONS MEDICINE SERVICES
July 2015

BASIS OF THE PROJECT

Saint Louis County Department of Public Health (DPH) currently provides medical services to inmates at the Buzz Westfall Justice Center located at 100 S. Central, Clayton, MO 63105 and the Family Court Juvenile Detention Center located at 501 South Brentwood, Clayton, MO 63105.

DPH is currently seeking proposals from correctional medicine programs (or agencies) to provide accredited, cost effective, safe medical services to the St. Louis County Buzz Westfall Justice Center and the Family Court Juvenile Detention Center. Services provided should meet or exceed local, state and federal standards. In addition, standards by the National Commission on Correctional Health Care (NCCHC) and the American Correctional Association (ACA) must be maintained throughout the life of the contract. Both NCCHC and ACA experience is required.

The Buzz Westfall Justice center is a Direct Supervision jail with an average daily population of 1250 and accredited through the ACA. The facility houses local, state and federal inmates. The St. Louis County Family Court Juvenile Detention Center has an average daily population of 35 and is accredited through the NCCHC. Both facilities are located in St. Louis County, Missouri. St. Louis County is actively involved in renovating the Saint Louis County Court building and will include the Family Court Juvenile Detention Center to create a new, unified Courts Complex. Please see the following for updates to the County Courts Project | St. Louis County Government. Floor plans and staffing patterns will be available.

The scope of this proposal presents the necessary qualifications that a contractor for correctional medicine services must meet.

The initial contract period of the contract is January 1, 2016 through December 31, 2019, with options to extend for three (3) additional one-year terms subject to annual performance review and written agreement of both parties.

The contractor should submit a proposal that includes the provision of correctional medicine services.

I. GENERAL CONDITIONS AND REQUIREMENTS

Compliance with Law

The contractor must comply with all federal, state and local laws, ordinances and regulations applicable to the work being performed under the contract.

The contractor must hold and furnish evidence of all insurance, licensure, state registration, and credentialing if applicable, legally required in the State of Missouri to practice such services.
Standard of Work Performance

Staff engaged by the contractor to provide services must conform to the highest professional standards in the industry. Saint Louis County DPH will reserve the right to approve each contractor’s representative provided to perform services under the contract, and lacking such approval, the contractor’s representative will not render services under the contract.

DPH shall not, however, unreasonably withhold its approval of individual contractor’s employees recruited to perform services. All appropriate credentials will be provided to DPH.

Work and services should include, but not limited to the following:

1. Medical records management including appropriate documentation of each patient treated, recommendations, treatment rendered, and medications prescribed according to DPH requirements.
2. The contractor must also prepare reports, narratives, and summaries as required by DPH.
3. Contractor will consult with Director of Community Medical Services or designated staff.
4. Contractor will testify, relative to services rendered under the terms of the contract, in response to a subpoena properly issued from any court and will be available to represent DPH as an expert witness.
5. Contractor will comply with all Policies and Procedures for both the Buzz Westfall Justice Center and the Family Court Juvenile Detention Center.
6. Contractor will comply with all required staff training for both the Buzz Westfall Justice Center and the Family Court Juvenile Detention Center.
7. Contractor must maintain all aspects of the Health Insurance Portability and Accountability Act (HIPAA).
8. Contractor must disclose current quality indicators utilized.
9. Contractor must provide all office, IT and medical equipment needed to perform the work.
10. Contractor must be willing to work with the current St. Louis County IT structure.

II. COUNTY INSURANCE REQUIREMENTS

Professional Liability Insurance

The successful proposer agrees to carry the following insurance coverage during the period of this contract and will provide DPH with Certificates of Insurance on all required coverage prior to commencement of the work under this contract.

The Contractor or the contractor’s employee shall maintain in force for the duration of this contract, liability insurance appropriate to their profession. Coverage as required in this Article shall apply to liability for malpractice professional error, act or omission arising out of scope of services as defined in this contract. Contractor shall furnish to DPH, Certificate of Insurance
evidencing that each employee of contractor performing services under this contract is covered by professional liability with limits of not less than one million dollars ($1,000,000.00) per occurrence and three million dollars ($3,000,000.00) in the aggregate. The insurance coverage under such certificates shall be retroactive to the earlier of the date of this Agreement or the commencement of practice with the County, and contractor’s employee shall cause the same to remain in effect for period of two (2) years after termination of the contract with the County.

Contractor shall provide DPH with notice of policy cancellation, termination or modification of any kind within thirty (30) calendar days of the change.

**Indemnifications**

Contractor agrees to defend, indemnify and hold harmless the County, its elected and appointed officials, employees and volunteers from and against any and all liability for damage arising from injuries to persons or damage to property occasioned by any acts or omission of the contractor, subcontractor, agents, servants or employees.

### III. SCOPE OF WORK
