Re: *State v. Martin Oulton, PBK # 0679551; Bethel PD Report No. 1800196*

Dear Chief Waldron:

I am writing to inform you that the State of Alaska, Department of Law, Office of Special Prosecutions, will not be going forward in the above identified case. The determination to decline this case was based on the original investigation along with the follow-up investigation conducted by your agency. The completed investigation reveals that the State will be unable to prove the allegations beyond a reasonable doubt.

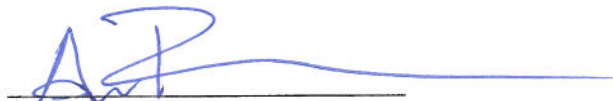

Although a prosecution will not occur at this point, I would reconsider this decision if other instances in which the defendant is a suspect came to light.

If you have any questions, please contact me.

Sincerely,

JAHNA LINDEMUTH
ATTORNEY GENERAL
