

decision also undermines the Kuskokwim River Inter-Tribal Fish Commission's (KRITFC) and United States Fish and Wildlife Service's 2015 agreement to negotiate for the purpose of reaching consensus on Kuskokwim River fisheries issues, and when necessary, negotiating to reach a mutually-beneficial compromise. No such obligation exists for the State to negotiate with the KRITFC because ADF&G is not party to the agreement.

Akiak Native Community requests that the Board reconsider its adoption of FSA18-01 with modification.

Respectfully submitted,
