COMPLAINT AND JURY DEMAND

NOW COME Intervening Plaintiffs, by and through their attorneys CHURCHWYBLE, P.C., a division of GREWAL LAW, PLLC, and hereby allege and state as follows:

I. PRELIMINARY STATEMENT AND INTRODUCTION

1. This is a civil action for declaratory, injunctive, equitable, and monetary relief for injuries sustained by Plaintiffs as a result of the acts, conduct, and omissions of Lawrence Nassar, D.O., Michigan State University (“MSU”), USA Gymnastics (“USAG”), and Twistars USA, Inc. (“Twistars”) and their respective employees, representatives, and agents, relating to sexual assault, abuse, molestation, and nonconsensual sexual touching and harassment by Defendant Nassar against Plaintiffs, all female, many of whom were minors when the sexual assaults took place.
2. With the exception of Jane JMSU Doe, Plaintiffs are or were young athletes participating in youth sports, including gymnastics and dancing. Jane JMSU Doe was in her 30s seeking treatment for a knee complaint.
3. Defendant Nassar came highly recommended to Plaintiffs as a renowned orthopedic sports medicine physician, purportedly well-respected in the sports medicine community, specifically in the gymnastics community as the Team Physician for the United States Gymnastics team.
4. Plaintiffs and their parents had no reason to suspect Defendant Nassar was anything other than a competent and ethical physician.
5. From approximately 1996 to 2016 Defendant Nassar worked for Michigan State University in various positions and capacities.

6. From 1986 to approximately 2015 Defendant Nassar also worked for USA Gymnastics in various positions and capacities.
7. For over 20 years, Defendant Nassar had unfettered access to young female athletes through the Sports Medicine Clinic at MSU, and through his involvement with USAG and Twistars, who referred athletes to his care.
8. To gain Plaintiffs' trust, at appointments, Defendant Nassar would give some Plaintiffs gifts such as t-shirts, pins, flags, leotards, and other items, some with USAG logos and others without.
9. From 1996 to 2004, under the guise of treatment, Defendant Nassar sexually assaulted, abused, and molested Plaintiffs Jane GMSU Doe, Jane HMSU Doe, and Jane IMSU Doe, all of whom were minors during at least some portion of this time, by nonconsensual vaginal and anal digital penetration or other nonconsensual sexual contact and without the use of gloves or lubricant.
10. Plaintiffs Jane GMSU Doe, Jane HMSU Doe, Jane IMSU Doe, and Jane JMSU Doe were seeking treatment for hip, back, and knee complaints.
11. In 1997 and or 1998, under the guise of treatment, Defendant Nassar sexually assaulted, abused, and molested Plaintiff Jane JMSU Doe by nonconsensual vaginal and anal digital penetration and without the use of gloves or lubricant.
12. In 1997 or 1998, an athlete reported to MSU gymnastics coach Kathie Klages concerns regarding Defendant Nassar's conduct and "treatment," but Klages dissuaded the athlete from completing a formal report by warning the athlete the report would have serious consequences for her (the athlete) and Nassar.

13. In 1999, a MSU student athlete reported to trainers and her coach who were employees of MSU concerns about Defendant Nassar's conduct and "treatment," yet MSU failed to take any action in response to her complaints.
14. In 2000, another MSU student athlete reported to trainers concerns about Defendant Nassar's conduct and "treatment," yet again MSU failed to take any action in response to her complaints.
15. Many Plaintiffs were seen alone with only the individual Plaintiff and Defendant Nassar in the room, without chaperones.
16. At other times, Defendant Nassar would position himself in a manner in which parents or chaperones in the room could not see his conduct.
17. Because MSU took no action to investigate the 1997 or 1998, 1999, and 2000 complaints and took no corrective action, from 2000 to 2016, under the guise of treatment, Plaintiffs Jane GMSU Doe and Jane HMSU Doe were sexually assaulted, abused, and molested by Defendant Nassar by nonconsensual vaginal and anal digital penetration, nonconsensual sexual touching of the vaginal area without the use of gloves or lubricant and by nonconsensual touching and groping of their breasts.
18. While most victims were assaulted at MSU, other victims were assaulted at Twistars.
19. Additional complaints regarding Defendant Nassar's conduct surfaced in 2014. A victim reported she had an appointment with Defendant Nassar to address hip pain and was sexually abused and molested by Defendant Nassar when he cupped her buttocks, massaged her breast and vaginal area, and became sexually aroused.¹

¹ See, At MSU: Assault, harassment and secrecy. Matt Mencarini, December 15, 2016. Available at, <http://www.lansingstatejournal.com/story/news/local/2016/12/15/michigan-state-sexual-assault-harassment-larry-nassar/94993582/>. (Last accessed January 5, 2017.)

20. Upon information and belief, Defendant MSU investigated the 2014 complaints through their Office of Institutional Equity, and although the victim reported to Defendant MSU certain facts, some were omitted from the investigative report including but not limited to the following:
 - a. Defendant Nassar was sexually aroused while touching her;
 - b. The appointment with Defendant Nassar did not end until she physically removed his hands from her body.
21. Three months after initiating the investigation, in July 2014, the victim's complaints were dismissed and Defendant MSU determined she didn't understand the "nuanced difference" between sexual assault and an appropriate medical procedure and deemed Defendant Nassar's conduct "medically appropriate" and "Not of a sexual nature."²
22. Following the investigation, upon information and belief Defendant Nassar became subject to new institutional guidelines, one of which – it is believed – was that Defendant Nassar was not to examine or treat patients alone.³
23. Defendant Nassar continued to treat patients alone.
24. Following the investigation, between approximately 2014 and 2016, additional girls and young women were sexually assaulted by Defendant Nassar.
25. Through his position with MSU, his notoriety, and support by USAG and Twistars, Defendant Nassar used his position of authority as a medical professional to abuse Plaintiffs without any reasonable supervision by MSU or USAG.

² *Id.*

³ *Id.*

26. Defendant Nassar carried out these acts without fully explaining the “treatment” or obtaining consent of Plaintiffs or their parents.
27. All of Defendant Nassar’s acts were conducted under the guise of providing medical care at his office at Michigan State University or at Twistars.
28. The failure to give proper notice or to obtain consent for the purported “treatment” from Plaintiffs or their parents robbed them of the opportunity to reject the “treatment.”
29. Defendant Nassar used his position of trust and confidence in an abusive manner causing Plaintiffs to suffer a variety of injuries including shock, humiliation, emotional distress and related physical manifestations thereof, embarrassment, loss of self-esteem, disgrace, and loss of enjoyment of life.
30. In September 2016, a story was published regarding a complaint filed with Defendant MSU’s Police Department titled “Former USA Gymnastics doctor accused of Abuse,” which included Plaintiff Denhollander’s allegations against Defendant Nassar.
31. Following the September 2016 publication, other victims began coming forward after recognizing that they were victims of sexual abuse at a time when most of them were minors.
32. Plaintiffs have been forced to relive the trauma of the sexual assaults.
33. In summer 2015, USAG relieved Defendant Nassar of his duties after becoming aware of concerns about his actions, yet USAG failed to inform Michigan State University of the circumstances regarding his dismissal.
34. As early as 1997, representatives of Michigan State University were made aware of Defendant Nassar’s conduct, yet failed to appropriately respond to allegations, resulting in the sexual assault, abuse, and molestation of Plaintiffs through approximately 2016.

35. Michigan State University's deliberate indifference before, during, and after the sexual assault, abuse, and molestation of Plaintiffs was in violation of Title IX of the Education Amendments of 1972, 20 U.S.C. §1681 *et seq.*, 42 U.S. C. §1983, as well as other Federal and State laws.
36. MSU and USAG's failure to properly supervise Defendant Nassar and their negligence in retaining Defendant Nassar was in violation of Michigan common law.
37. In late November 2016, Defendant Nassar was arrested and charged in Ingham County, Michigan on three charges of first-degree criminal sexual conduct with a person under 13.⁴
38. In mid-December 2016, Defendant Nassar was indicted, arrested, and charged in Federal Court in Grand Rapids, Michigan on charges of possession of child pornography and receipt/attempted receipt of child pornography.
39. The acts, conduct, and omissions of Defendants Michigan State University, USA Gymnastics, and Twistars, and their policies, customs, and practices with respect to investigating sexual assault allegations severely compromised the safety and health of Plaintiffs and an unknown number of individuals, and have resulted in repeated instances of sexual assault, abuse, and molestation of Plaintiffs by Defendant Nassar, which has been devastating for Plaintiffs and their families.
40. This action arises from Defendants' blatant disregard for Plaintiffs' federal and state rights, and Defendants' deliberately indifferent and unreasonable response to physician-on-patient/physician-on-student sexual assault, abuse, and molestation.

II. JURISDICTION AND VENUE

41. This action is brought pursuant to Title IX of the Educational Amendments of 1972, 20 U.S.C. §1681, *et seq.*, as more fully set forth herein.

80. Mr. Geddert regularly recommended Defendant Nassar to members of Defendant Twistars as a reputable physician.
81. For a period of time, Defendant Twistars displayed a photo of Defendant Nassar at its facility.
82. As an agent of Defendant Twistars, Defendant Nassar regularly provided services and treatment to Defendant Twistars' members and Defendant USAG's members on Defendant Twistars' premises.
83. As a physician of Osteopathic Medicine, Defendant Nassar's medical care and treatment should have consisted largely of osteopathic adjustments and kinesiology treatment to patients, including students and student-athletes of Defendant MSU.
84. Defendant Nassar is not and has never been a medical doctor of obstetrics or gynecology.
85. While employed by Defendants MSU and USAG, Defendant Nassar practiced medicine at Defendant MSU's Sports Medicine Clinic, a facility at MSU.
86. During his employment, agency, and representation with the MSU Defendants, Defendant USAG, and Defendant Twistars, Defendant Nassar sexually assaulted, abused, and

molested Plaintiffs by engaging in nonconsensual sexual touching, assault, and harassment including but not limited to digital vaginal and anal penetration.

87. The State of Michigan's Department of Licensing and Regulatory Affairs Occupational Health Standards regarding Bloodborne Infectious Diseases mandates use of gloves when exposed to potentially infectious material, including vaginal secretions.⁶
88. In 1997 or 1998, a female gymnastics participant, who was a minor at the time, told MSU gymnastics head coach Kathie Klages about concerns the participant had with Nassar's "treatment." Klages convinced the participant not to file a formal complaint because Klages intimidated the participant by stating there would be serious consequences to her (the participant) and Nassar.
89. In or around 1998, a parent of a gymnast at Defendant Twistars' facility complained to Mr. Geddert regarding Dr. Nassar's conduct, yet the concerns and allegations went unaddressed.
90. In or around 1999 the MSU Defendants were also put on notice of Defendant Nassar's conduct by a MSU student athlete after she complained to MSU employees, including trainers and her head coach, that Defendant Nassar touched her vaginal area although she was seeking treatment for an injured hamstring.
91. Despite her complaints to MSU representatives, the athlete's concerns and allegations went unaddressed.
92. In approximately 2000, a female student athlete, a member of Defendant MSU's Women's Softball Team, was sexually assaulted and abused during "treatment" by Defendant Nassar

⁶ See, Michigan Administrative Code, R. 325.70001, et seq., Available at http://www.michigan.gov/documents/CIS_WSH_part554_35632_7.pdf. Last accessed, January 5, 2017.

and reported Defendant Nassar's conduct to Defendant MSU's employees, including trainers.

93. Despite her complaints to MSU employees, agents, and representatives, the athlete's concerns and allegations went unaddressed in violation of reporting policies and procedures and Title IX and in a manner that was reckless, deliberately indifferent, and grossly negligent.
94. Because MSU took no action to investigate the 1999 or 2000 complaints and took no corrective action, from 2000 to 2016, under the guise of treatment, Plaintiffs Jane GMSU Doe and Jane HMSU Doe were also sexually assaulted, abused, and molested by Defendant Nassar by vaginal and anal digital penetration, without the use of gloves or lubricant and by touching and groping their breasts.
95. In 2014, following receipt of an unrelated complaint regarding a sexual assault on Defendant MSU's campus, between 2014 and 2015 the U.S. Department of Education's Office of Civil Rights (hereinafter "OCR") conducted an investigation regarding the complainant's allegations, another complaint regarding sexual assault and retaliation from 2011, and Defendant MSU's response to said complaints, and their general policies, practices, and customs pertaining to their responsibilities under Title IX.⁷

⁷ See, Letter from U.S. Department of Education Office for Civil Rights to Michigan State University, September 1, 2015, OCR Docket #15-11-2098, #15-14-2113. Available at <https://www2.ed.gov/documents/press-releases/michigan-state-letter.pdf>, last accessed January 4, 2017.

96. The OCR concluded their investigation in 2015 and presented Defendant MSU with a twenty-one page agreement containing measures and requirements to resolve the 2011 and 2014 complaints and to bring Defendant MSU in compliance with Title IX.⁸
97. While the OCR was conducting their investigation, additional complaints regarding Defendant Nassar's conduct surfaced in 2014. The victim reported she had an appointment with Defendant Nassar to address hip pain and was sexually abused and molested by Defendant Nassar when he cupped her buttocks, massaged her breast and vaginal area, and he became sexually aroused.⁹
98. Upon information and belief, Defendant MSU investigated the 2014 complaints through their Office of Institutional Equity.
99. However, the victim reported to Defendant MSU facts which were omitted or withheld from the investigative report including but not limited to the following
- a. Defendant Nassar was sexually aroused while touching her;
 - b. The appointment with Defendant Nassar did not end until she physically removed his hands from her body.
100. Three months after initiating the investigation, in July 2014, the victim's complaints were dismissed and Defendant MSU determined she didn't understand the "nuanced difference" between sexual assault and an appropriate medical procedure and deemed Defendant Nassar's conduct "medically appropriate" and "Not of a sexual nature."¹⁰

101. Following the investigation, upon information and belief, Defendant Nassar became subject to new institutional guidelines, one of which – it is believed – was that Defendant Nassar was not to examine or treat patients alone.¹¹
102. After receiving allegations of “athlete concerns,” in approximately summer 2015 Defendant USAG relieved Defendant Nassar of his duties.¹²
103. At no time did Defendant USAG inform Defendants MSU, MSU Trustees, or other MSU representatives of the concerns that led to Defendant Nassar being relieved from his duties with Defendant USAG.
104. From July 2014 to September 2016, despite complaints about Nassar’s conduct, Defendant MSU continued to permit Defendant Nassar unfettered access to female athletes without adequate oversight or supervision to ensure he was complying with the new guidelines.
105. Plaintiffs were made aware of Defendant Nassar’s widespread sexual abuse on or around September 12, 2016 or shortly thereafter through related media coverage.¹³
106. Defendant Nassar’s employment ended with Defendant MSU on approximately September 20, 2016 only after the MSU Defendants became aware that:

- a. Defendants Nassar and USAG were sued by a former Olympian who alleged she was sexually assaulted by Defendant Nassar;¹⁴ and,

VI. CLAIMS AGAINST MICHIGAN STATE UNIVERSITY DEFENDANTS

A. COUNT ONE

VIOLATIONS OF TITLE IX 20 U.S.C. §1681(a), et seq. DEFENDANTS MSU, MSU TRUSTEES

151. Plaintiffs reallege and incorporate by reference the allegations contained in the previous paragraphs.
152. Title IX's statutory language states, "No *person* in the United States shall on the basis of sex, be ... subject to discrimination under any education program or activity receiving Federal financial assistance ..."
153. Plaintiffs are "persons" under the Title IX statutory language.
154. Defendant MSU receives federal financial assistance for its education program and is therefore subject to the provisions of Title IX of the Education Act of 1972, 20 U.S.C. §1681(a), *et seq.*

155. Defendant MSU is required under Title IX to investigate allegations of sexual assault, sexual abuse, and sexual harassment.
156. The U.S. Department of Education's Office of Civil Rights has explained that Title IX covers all programs of a school, and extends to sexual harassment and assault by employees, students and third parties.
157. Defendant Nassar's actions and conduct were carried out under one or more of Defendant MSU programs, which provides medical treatment to students, athletes, and the public.
158. Defendant Nassar's conduct and actions toward Plaintiffs, that being nonconsensual digital vaginal and anal penetration, touching of Plaintiffs vaginal area, and touching of Plaintiffs breasts constitutes sex discrimination under Title IX.
159. By at least 1999 and/or 2000, and as early as 1997 or 1998, an "appropriate person" at Defendant MSU had actual knowledge of the sexual assault, abuse, and molestation committed by Defendant Nassar.
160. The MSU Defendants failed to carry out their duties to investigate and take corrective action under Title IX following complaints of sexual assault, abuse, and molestation in or around 1999 and/or 2000.
161. The MSU Defendants were notified again in 2014 of Defendant Nassar's conduct when a victim reported she had an appointment with Defendant Nassar to address hip pain and was sexually abused and molested by Defendant Nassar when he cupped her buttocks, massaged her breast and vaginal area, and he became sexually aroused.
162. The victim reported to Defendant MSU facts which were omitted or withheld from the investigative report including but not limited to the following:
 - a. Defendant Nassar was sexually aroused while touching her;

b. The appointment with Defendant Nassar did not end until she physically removed his hands from her body.

163. Three months after initiating an investigation, in July 2014, the victim's complaints were dismissed and Defendant MSU determined she didn't understand the "nuanced difference" between sexual assault and an appropriate medical procedure and deemed Defendant Nassar's conduct "medically appropriate" and "Not of a sexual nature."
164. Following the investigation, upon information and belief, Defendant Nassar became subject to new institutional guidelines, one of which – it is believed – was that Defendant Nassar was not to examine or treat patients alone.
165. The MSU Defendants failed to adequately supervise or otherwise ensure Defendant Nassar complied with the newly imposed institutional guidelines even though the MSU Defendants had actual knowledge Nassar posed a substantial risk of additional sexual abuse of females whom he had unfettered access.
166. After the 2014 complaints Defendant Nassar continued to sexually assault, abuse, and molest individuals.
167. The MSU Defendants acted with deliberate indifference to known acts of sexual assault, abuse, and molestation on its premises by:
- a. failing to investigate and address allegations as required by Title IX;
 - b. failing to adequately investigate and address the 2014 complaint regarding Defendant Nassar's conduct; and,
 - c. failing to institute corrective measures to prevent Defendant Nassar from violating and sexually abusing other students and individuals, including minors.

168. The MSU Defendants acted with deliberate indifference as its lack of response to the allegations of sexual assault, abuse, and molestation was clearly unreasonable in light of the known circumstances, Defendant Nassar's actions with female athletes, and his access to young girls and young women.
169. The MSU Defendants' deliberate indifference was confirmed by the Department of Education's investigation into Defendant MSU's handling of sexual assault and relationship violence allegations which revealed:
 - a. A sexually hostile environment existed and affected numerous students and staff on Defendant MSU's campus;
 - b. That the University's failure to address complaints of sexual harassment, including sexual violence in a prompt and equitable manner caused and may have contributed to a continuation of the sexually hostile environment.
170. The MSU Defendants' responses were clearly unreasonable as Defendant Nassar continued to sexually assault female athletes and other individuals until he was discharged from the University in 2016.
171. Between the dates of approximately 1996 and 2016, the MSU Defendants acted in a deliberate, grossly negligent, and/or reckless manner when they failed to reasonably respond to Defendant Nassar's sexual assaults and sex-based harassment of Plaintiffs on and off school premises.
172. The MSU Defendants failed warn or advise current and former patients of Defendant Nassar, including Plaintiffs, that allegations could surface that in fact the treatments that the patients received was not medical treatment at all but was potentially sexual assault.

173. The MSU Defendants failed to offer counseling services to current or former patients of Defendant Nassar, including Plaintiffs.
174. The MSU Defendants' failure to promptly and appropriately investigate and remedy and respond to the sexual assaults after they received notice subjected Plaintiffs to further harassment and a sexually hostile environment, effectively denying them all access to educational opportunities at MSU, including medical care.
175. As a direct and/or proximate result of the MSU Defendants' actions and/or inactions, Plaintiffs have suffered and continue to suffer pain of mind and body, shock, emotional distress, physical manifestations of emotional distress, embarrassment, loss of self-esteem, disgrace, fright, grief, humiliation, and loss of enjoyment of life, were prevented and will continue to be prevented from performing Plaintiffs' daily activities and obtaining the full enjoyment of life, and have sustained and continue to sustain loss of earnings and earning capacity.

B. COUNT TWO

**VIOLATION OF CIVIL RIGHTS
42 U.S.C. § 1983**

ALL PLAINTIFFS AGAINST THE MSU DEFENDANTS, DEFENDANT NASSAR

176. Plaintiffs reallege and incorporate by reference the allegations contained in the previous paragraphs.
177. Plaintiffs, as females, are members of a protected class under the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution.
178. Plaintiffs enjoy the constitutionally protected Due Process right to be free from the invasion of bodily integrity through sexual assault, abuse, or molestation.

179. At all relevant times, Defendants MSU, MSU Trustees, and Nassar were acting under color of law, to wit, under color of statutes, ordinances, regulations, policies, customs, and usages of the State of Michigan and/or Defendant Michigan State University.
180. The acts as alleged above amount to a violation of these clearly established constitutionally protected rights, of which reasonable persons in the MSU Defendants' positions should have known.
181. The MSU Defendants have the ultimate responsibility and authority to train and supervise its employees, agents, and/or representatives, in the appropriate manner of detecting, reporting, and preventing sexual abuse, assault, and molestation and as a matter of acts, custom, policy, and/or practice, failed to do so with deliberate indifference.
182. As a matter of custom, policy, and and/or practice, the MSU Defendants had and have the ultimate responsibility and authority to investigate complaints against their employees, agents, and representatives from all individuals including, but not limited to students, visitors, faculty, staff, or other employees, agents, and/or representatives, and failed to do so with deliberate indifference.
183. The MSU Defendants had a duty to prevent sexual assault, abuse, and molestation on their campus and premises, that duty arising under the above-referenced constitutional rights, as well as established rights pursuant to Title IX.
184. Defendant MSU's internal policies provide that "[a]ll University employees ... are expected to promptly report sexual misconduct or relationship violence that they observe or learn about and that involves a member of the University community (faculty, staff or student) or occurred at a University event or on University property." They state further: "[t]he

employee must report all relevant details about the alleged relationship violence or sexual misconduct that occurred on campus or at a campus-sponsored event. ... "

185. Defendant MSU's aforementioned internal policies were violated in or around 1999 when an individual reported sexual assault, abuse, and molestation by Defendant Nassar to MSU representatives including trainers and a coach and no action was taken to address her complaints.
186. Defendant MSU's aforementioned internal policies were violated in 2000 when another individual reported sexual assault, abuse, and molestation by Defendant Nassar to MSU representatives including trainers and no action was taken to address her complaints.
187. The MSU Defendants' failure to address the above-described complaints led to an unknown number of individuals being victimized, sexually assaulted, abused, and molested by Defendant Nassar.
188. Additionally, the MSU Defendant's failure to properly address the 2014 complaint regarding Defendant Nassar's conduct also led to others being victimized, sexually assaulted, abused and molested by Defendant Nassar.
189. Ultimately, Defendants failed to adequately and properly investigate the complaints of Plaintiffs or other similarly-situated individuals including but not limited to failing to:
 - a. perform a thorough investigation into improper conduct by Defendant Nassar with Plaintiffs after receiving complaints in 1999 and 2000;
 - b. thoroughly review and investigate all policies, practices, procedures and training materials related to the circumstances surrounding the conduct of Defendant Nassar;

- c. recognize sexual assault when reported in 2014 and permitting University officials to deem sexual assault as “medically appropriate” and “not of a sexual nature;” and,
- d. ensure all institutional guidelines issued following the 2014 investigation into Defendant Nassar’s conduct were satisfied.

- 190. As indicated in the U.S. Department of Education Office of Civil Rights report, the MSU Defendants had a culture that permitted a sexually hostile environment to exist affecting numerous individuals on Defendant MSU’s campus, including Plaintiffs.
- 191. Also indicated in the report was Defendant MSU’s custom, practice, and/or policy of failing to address complaints of sexual harassment, including sexual violence in a prompt and equitable manner which caused and may have contributed to a continuation of the sexually hostile environment.
- 192. By failing to prevent the aforementioned sexual assault, abuse, and molestation upon Plaintiffs, and by failing to appropriately respond to reports of Defendant Nassar’s sexual assault, abuse, and molestation in a manner that was so clearly unreasonable it amounted to deliberate indifference, the MSU Defendants are liable to Plaintiffs pursuant to 42 U.S.C. §1983.
- 193. The MSU Defendants are also liable to Plaintiffs under 42 U.S.C. §1983 for maintaining customs, policies, practices which deprived Plaintiffs of rights secured by the Fourteenth Amendment to the United States Constitution in violation of 42 U.S.C. §1983.
- 194. The MSU Defendants tolerated, authorized and/or permitted a custom, policy, practice or procedure of insufficient supervision and failed to adequately screen, counsel, or discipline

Defendant Nassar, with the result that Defendant Nassar was allowed to violate the rights of persons such as Plaintiffs with impunity.

195. The MSU Defendants failed warn or advise current and former patients of Defendant Nassar, including Plaintiffs, that allegations could surface that in fact the treatments that the patients received was not medical treatment at all but was potentially sexual assault.
196. The MSU Defendants failed to offer counseling services to current of former patients of Defendant Nassar, including Plaintiffs.
197. As a direct and/or proximate result of the MSU Defendants' actions and/or inactions, Plaintiffs suffered and continue to suffer pain of mind and body, shock, emotional distress, physical manifestations of emotional distress, embarrassment, loss of self-esteem, disgrace, fright, grief, humiliation, and loss of enjoyment of life, were prevented and will continue to be prevented from performing Plaintiffs' daily activities and obtaining the full enjoyment of life, and have sustained and continue to sustain loss of earnings and earning capacity.
