Hi John

I completely understand. Please advise as to which direction to go. Thank you, Lisa

Hi Lisa,

I arrived in Saipan this morning, made sure the \$200,000 that was sent while I was traveling had arrived, and went to sleep. I've only woken up now and have not yet seen the budget that you reference.

I will look at the budget and will discuss it with Shawn.

Thanks,

John

Hi Shawn & John,

Sorry to have to repeat myself, but we emailed you yesterday with a budget...I was also told by Shawn that the funds were sent.

We have a balance due right now of \$422,576.00 and I needed 24 hours to move it to our PAC account so that we are in compliance. We still have a daily amount of at least \$139,000 going out everyday.

By not sending the funds we will lose our petitioners today immediately and we won't have time to catch up. Unfortunately, by not sending the funds today, I can't keep this going and that's okay too. I just wanted both to be aware of the situation.
