## Volunteering for WCAI

WCAI volunteers play an integral role in the station's success. We welcome individuals with diverse backgrounds, experience, talents, and interests to join our team. We ask only that our volunteers have high energy, a positive attitude, and a passion for WCAI and public media.

The time commitment varies depending on the activity. Currently, we do not offer regularly scheduled volunteer positions. Rather, when we have an upcoming event or activity, we email specifics to our volunteers and ask for sign-ups. Sign-up is on a first-come, first served basis.

WCAI Volunteers can get involved in many ways, including, but not limited to:

### Membership Drives

- "Fuel the Drive" — provide sustenance (food) to the staff during long days of membership/pledge drives
- Make thank-you calls to donors
- Pack and ship thank-you gifts

### Community Ambassador

- Represent WCAI at community events, providing information about the station

### Office Volunteer

- Lend your administrative skills to a variety of projects and tasks

### Special Events Assistant

- Assist development staff with exciting events throughout the year, including concerts, Pub Nights, listening events, and more!

WCAI Volunteers enjoy a fun and enriching experience while supporting public media's mission to educate and inform. Additionally, volunteers receive a complimentary 1-year membership to WCAI, which includes Explore!, and are invited to our annual Volunteer Appreciation Event.
