

Jazz All Over - Stronger Than Ever

Jazz 91.9 WCLK is beginning the second phase of its quality enhancement upgrade to further strengthen the station's appeal to attract Jazz lovers and music enthusiasts. In the initial phase of the enhancement upgrade, listeners were encouraged to rescan their home and car receivers for a more clearer and crisper Jazz 91.9. As a result, calls have come into the station from listeners within more than 10 Georgia counties that include communities like Duluth, Canton, Newnan and Conyers. Jazz 91.9 estimates a 40 % increase in listening audience because of the stronger signal.
