###

There's an amazing amount of original music recorded and videos produced by Capital Region musicians, bands, and artists every year.

By no means is these listings all-inclusive. If you know of a release or video you loved but was inadvertently overlooked, let me know. You can reach me at [apgregory65 at gmail dot com](mailto:apgregory65@gmail.com)

If you or your band have an upcoming release planned, please visit [The Local 518 Show](#) for airplay submission guidelines.

Thanks to **Mike Guzzo** of CRUMBS.net for encouraging me to post those first local music reports on the

[CRUMBS blog](#) at the timesunion.com. What began as just a list of recent releases in [September of 2010](#) expanded to a [year-end round up for 2011](#), then revised to a [quarterly format for 2012](#).

It's been an eye-opening experience putting these reports together, which I hope to continue for a long time to come - For the fans, supporters, and most importantly the creators of music in the Capital District (and just a bit beyond).
