To: Phyllis Fornoff and Mark Hunter

I am writing to inform you that, as of Tuesday, May 19th, I will no longer be working at the Henderson County Health Department as Acting Administrator. The last four years have been stressful to say the least but lately the situation has become unbearable. The County Board has allowed, and even encouraged former disgruntled employees to attack my character and now they plan to appoint one of those former employees to the Henderson County Board of Health. I feel the mission of public health has been lost and a professional relationship with the board will be impossible.

It has been a pleasure serving the residents of Henderson County and I remain a staunch advocate of public health.

Sincerely,

Mary Lynne Haase, R.N., B.S.
