MAKERS

MAKERS is a six-part PBS series profiling the impact women have had over the past 50 years in six industries—comedy, politics, space, war, business, and Hollywood. A landmark broadcast and digital-video initiative developed by AOL, *MAKERS* aims to be the largest and most dynamic collection of women's stories ever assembled.

**6 new films airing on
PBS every Tuesday
Sept 30–Nov 4**

A Free Preview Screening of

MAKERS

Women in Space

This new documentary chronicles the crucial and often unsung role women have played in the US space program. The film is both a look back as well as a glimpse of the important role women will continue to play in the future of this field.

**October 9, 2014
7:00 P.M.**

**145 Communication
Arts & Sciences Bldg.
MSU**
