SPECIALS
You are the Universe with Deepak Chopra, MD
SUNDAY, MARCH 5, 5PM
You Are the Universe literally means what it says—each of us is a co-creator of reality extending to the vastest reaches of time and space. This seemingly impossible proposition follows from the current state of science, where outside the public eye, some key mysteries cannot be solved, even though they are the very issues that define reality itself.

Suze Orman’s Financial Solutions for You
SUNDAY, MARCH 5, 8:30PM
We all have financial issues and problems. Suze Orman’s latest special sharply focuses on her helping individual viewers “find financial solutions for you.” As always, Suze’s advice is based not just on numbers, but on a critical understanding of ourselves and our emotional needs. The special’s central theme is that our financial decision-making should be guided by an understanding of “the goal of money.”
