I’ll be seeing you...

As I write this note, I am packing my desk and leaving WKAR main offices after many years. When you announce that you will be retiring on September 13, we all knew it was coming soon. It’s been such a joy to work with you, fantastic colleagues. It was a privilege to work with you, and I appreciate all the good times we have had over the years.

Thank you for everything.

I’ll be seeing you...
