Don't Tell Me, This American Life, Hidden Brain** and **It's Been A Minute**. **WKAR NewsTalk** continues to be your destination for **BBC Newshour, BBC World, Current State with Reginald Hardwick, Current Sports with Al Martin, Ondas En Español with El Chayo, plus Morning Edition and All Things Considered.**

24/7 on 94.5 FM

Listeners in East Lansing and Meridian Township can now tune in to **WKAR NewsTalk** 24 hours a day, thanks to an FCC project aimed at enabling AM stations to broadcast at night using FM translators. For those in range (an estimated 50,000 listeners) the service can be heard on 94.5 FM.

New on 90.5 This American Life and Wait Wait

Two public radio programs highly requested by our listeners come to 90.5 beginning this month. **This American Life** will be heard Fridays at 6pm. Each episode presents news stories on a weekly theme, with an occasional comedy routine thrown in. **Wait Wait... Don't Tell Me!** airs Saturdays at 10am (pulling into the parking spot opened up by the departure of **CarTalk Classics**). **Wait**

Wait is NPR's weekly hour-long quiz program. Each week you can test your knowledge against some of the best and brightest in the news and entertainment world while figuring out what's real news and what's made up. Keep your dial tuned to 90.5 for the perfect mix of classical music, fact-based news, and engaging conversation.

NEW Folk! with Matt Watroba

Sundays, 6pm on 90.5

Two new hours of folk music come to Sundays beginning this month, hosted by Michigan native **Matt Watroba**. Followers of folk music may already know Matt as a performer, songwriter or community-sing guide. With the new show (so new, we don't yet have a name at press time!), Matt takes you on a journey along the many and winding streams, rivers, and creeks that come together to form what we know today as folk music.
