On the Air for Many Years to Come

Dear WKAR Supporter,

You may remember when the FCC offered TV stations a chance to make potentially millions of dollars by going off the air and giving up their TV license to the FCC Spectrum Auction. Your community came out in full support of WKAR keeping its license and staying on the air for mid-Michigan.

Our commitment to keep trusted, valued, essential television on the air for years to come was fulfilled on May 29, 2018, when WKAR-TV began broadcasting on its new FCC-assigned frequency. For WKAR, staying on the air meant replacing the TV main and auxiliary broadcast antennas, the transmitter, and the transmission line. The $2 million project was paid for almost entirely by the FCC.

For many TV and FM viewers and listeners, the project meant several weeks with intermittent or no reception. We know how much our viewers and listeners value our unique programming, and we heard from many of you during this time as you were missing your favorite shows.

If you were among those who lost WKAR during this time, THANK YOU for your patience and understanding.

To all of our members and donors -- THANK YOU for your commitment to WKAR. Your support helps ensure trusted, valued, essential television remains on the air in mid-Michigan for years to come.

Sincerely,

Susi Elkins
WKAR Director of Broadcasting and General Manager
