

**A Prairie Home Companion** — Original comedy sketches and music presented by Chris Thile, his cast and musical guests.

**All Things Considered** — The most listened-to, afternoon drive-time news radio program in the country brings breaking news, compelling analysis, insightful commentaries, interviews and features.

**American Routes** — Nick Spitzer presents American music and stories that describe both the origins of the music, musicians and cultures and the many directions those things take over time.

**Ask Me Another** — Host Ophira Eisenberg brings the lively spirit and healthy competition of your favorite trivia night right to your ears.

**BBC** — The BBC World Service presents comprehensive news from around the world.

**The Blues** — WNIJ presents the best of traditional and contemporary blues, the music that gave birth to rock-n-roll.

**1A** — Joshua Johnson hosts lively debates on a wide array of topics.

**Echoes** — Host John Diliberto presents a modern sound-scape of music that draws from a multitude of cultures, traditions and genres.

**Fresh Air** — Terry Gross hosts this multi-award-winning daily interview and features program.

**Here and Now** — NPR's midday news magazine with hosts Robin Young and Jeremy Hobson.

**Living on Earth** — Weekly environmental news and information program with features, interviews and commentary on a broad range of ecological issues.

**Marketplace** — Daily magazine of business and economic news. The "Marketplace Morning Report" airs at 6:50 and 8:50 a.m.

**Morning Edition** — NPR's Steve Inskeep, David Greene and Rachel Martin with WNIJ's Dan Klefstad bring the day's stories, NPR and local news.

**The Moth** — Celebrates the art and craft of storytelling by presenting thousands of stories told live and without notes.

**On Being** — Host Krista Tippett engages listeners across the spectrum of belief and non-belief in conversation about life's deepest questions.

**On the Media** — A program designed to decode what we hear, read and see in the media and arm us with the critical tools necessary to survive the information age.

**Only a Game** — Puts sports in perspective with intelligent analysis, insightful interviews and humor.

**Radiolab** — Hosts Jad Abumrad and Robert Krulwich present an experiential investigation that explores themes and ideas through a patchwork of people, sounds and stories.

**Reveal** — In-depth, award-winning journalism every Wednesday from the Center for Investigative Reporting.

**Science Friday** — Ira Flatow presents news and entertaining stories about science.

**Sessions from Studio A** — Host Carl Nelson features performances by regional and touring musicians recorded live in WNIJ's own Studio A, ranging from folk to indie rock, blues, alternative country, Americana, world music and more.

**Sound Opinions** — Rock critics Jim Derogatis and Greg Kot provide the latest music news, personal commentary and exclusive interviews and performances.

**The Takeaway** — Host John Hockenberry presents unique conversations about the topics of the day.

**TED Radio Hour** — Using TED Talks as a launching point to explore the best ideas in technology, entertainment, design and much more, host Guy Raz asks probing questions and guests offer deep answers.

**This American Life** — Host Ira Glass presents stories about everyday life in America.

**Wait Wait...Don't Tell Me!** — The oddly informative, fast-paced, irreverent news quiz from NPR hosted by Peter Sagal.

**Weekend Edition** — Weekend news magazine hosted by Scott Simon on Saturday and Rachel Martin on Sunday.

**World Cafe** — Host Talia Schlanger showcases an eclectic blend of contemporary music.
