

## This I Believe 2019 Event Details

*This I Believe is NPR Illinois' annual essay program for Illinois high school seniors;  
An expression of belief on the verge of adulthood.*

2019 marks the 13th class of high school seniors NPR Illinois will ask to share what they believe. This I Believe was started by radio journalist Edward R. Murrow in 1951 to allow anyone able to distill the guiding principles by which they lived.

The Rotary Club of Springfield Sunrise has partnered with NPR Illinois and provides a scholarship to the selected authors. The program began in 2007 and has been supported by the Rotary Club of Springfield Sunrise each year. The club provides each selected author with a \$200 scholarship when they read their essay at a Rotary meeting. The State Journal-Register supports the effort each year by printing the selected essays in the paper.

NPR Illinois will air the essays in their authors' voices the last three weeks of February (at approximately 7:45 am and 4:45 pm). The audio will also be streamed at [nprillinois.org](http://nprillinois.org). Previous essays are available on the website at [nprillinois.org](http://nprillinois.org) under the "more" tab.
