

NAUTILUS
**MUTUAL LIFE INSURANCE
 COMPANY, 29 Wall St.**

THIS Company, which confines its business exclusively to Life Insurance, has now been in operation two years and a half, during which period it has issued 1523 policies, and for the first eighteen months it experienced no loss. Its losses for the whole time have been less than \$18,000—leaving an accumulation of about \$65,000 on hand, beyond the payment of claims and expenses. Thus, added to the original guarantee capital of \$50,000, places the security of the Company on a basis so solid as no longer to admit of a rational doubt.

All its profits accrue to the credit of the dealers, and are divided annually among them, whether the policy be issued for a limited period or for the whole term of life, a feature unknown in the charter of any other Mutual Life Insurance Company incorporated by this State.

Two dividends of 50 per cent. each, on the amount of premiums received, in accordance with the provisions of the charter, have been declared, and are credited to the accounts of the assured, and for which scrip certificates will be issued.

A dividend of 6 per cent on the first year scrip has likewise been declared, payable in cash to the holders thereof, on demand, at the office of the Company.

For policies granted for the whole term of life, when the premium therefor amounts to \$50—a note for 40 per cent, with interest at 6 per cent. *without guarantee*, may be received in part payment, or it may be paid in cash, in which case it is expected, should the parties survive to make 13 annual payments, leaving the dividend to accumulate, the policy will be fully paid for, and the accumulation ultimately added to the policy.

Further information, pamphlets and forms of applications, may be obtained at the office of this Company, 29 Wall st., or any of its agencies.
