## INDEPENDENT AUDITOR'S REPORT

The Board of Directors  
WVIK-FM Radio  
Augustana College  
Rock Island, Illinois

**Report on the Financial Statements**

We have audited the accompanying financial statements of WVIK-FM Radio, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

---

(Continued)

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WVIK-FM Radio as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Emphasis of Matter**

As discussed in Note 1, the financial statements were prepared for the purpose of complying with the financial reporting provisions of the Corporation for Public Broadcasting, and are not intended to be a complete presentation of Augustana College's assets, liabilities, revenues or expenses. Our opinion is not modified with respect to this matter.

WVIK-FM RADIO  
A PUBLIC BROADCAST STATION  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2017 and 2016

---

**NOTE 1 - NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES**

Nature of Business: WVIK-FM Radio (WVIK) is a department of, and is operated by, Augustana College (College), Rock Island, Illinois. These financial statements are prepared for the purpose of complying with the financial reporting provisions of the Corporation for Public Broadcasting and are not intended to be a complete presentation of the College's assets, liabilities, revenues, or expenses.

Accounting Estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

General: These financial statements, which are presented on the accrual basis of accounting, have been prepared to focus on WVIK as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of fund balances and transactions into three classes of net assets – permanently restricted, temporarily restricted or unrestricted.

Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that must be maintained permanently. Generally, the donors of these assets permit the College to use all or part of the income earned on related investments for general purposes of WVIK.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulations that will be met by actions of WVIK and/or the passage of time. These net assets are solicited for WVIK's operations and property and equipment purchases and are released from restriction as the funds are expended for their intended purpose or the requested time has passed.

Unrestricted Net Assets: Net assets not subject to donor-imposed stipulations. Certain unrestricted net assets are designated by the College's Board of Trustees and management for internal purposes.

Beneficial Interest in Augustana College Investment Pool: The College maintains an endowment fund that is restricted in use to WVIK.

Grants Receivable: Grants receivable consist of contract and other receivables. Grants receivable do not have an amount recorded as an allowance for doubtful grants, as these are one year grants and are expected to be collected.

Broadcasting Equipment: Broadcasting equipment is carried at cost. Depreciation on the equipment is computed by the straight-line method using the half year convention over the estimated useful lives of the assets. Equipment is a single item of tangible real or personal property with an individual unit cost of at least \$5,000 and a useful life clearly in excess of two full years. Long-lived assets, such as building and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Management believes that currently there is no impairment of the long-lived assets.

Revenue Recognition: Revenue is reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Grant revenue is recognized as the related expenses are incurred. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported in the statements of activities as net assets released from restrictions.

---

A PUBLIC BROADCAST STATION  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2017 and 2016

---

**NOTE 1 - NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Contributions, including unconditional promises to give, are recognized as revenue in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date received. Contributions to be received after one year are discounted to the present value of future cash flows, at an appropriate discount rate commensurate with the risks involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contributions receivable is provided based upon management's judgment including such factors as prior collection history, type of contribution and nature of fund raising activity.

Income Tax Status: The College is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3) and, therefore, is not subject to tax under present income tax laws.

No provision has been made for income taxes in the accompanying financial statements, as WVIK had no significant unrelated business income. If WVIK were to incur interest or penalties related to unrecognized tax benefits, these expenses would be recognized in interest and income tax expense, respectively. WVIK had no amounts accrued for interest or penalties as of June 30, 2017 and 2016. Because WVIK is a department of the College, its activities are included on the College's tax return. The College has not been examined by any tax jurisdiction.

Advertising Costs: Advertising costs are expensed as incurred. Advertising expenses for the years ended June 30, 2017 and 2016 were \$54,520 and \$67,709, respectively.

Adoption of New Accounting Standard: In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update ("ASU") No. 2015-07, "Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)". Under the amendments in this update, investments for which fair value is measured at net asset value per share (or its equivalent) using the practical expedient should not be categorized in the fair value hierarchy. WVIK elected to adopt ASU 2015-07 as of and for the year ended June 30, 2017, and retroactively applied to fiscal year 2016. Accordingly, investments for which fair value is measured using net asset value per share (or its equivalent) as a practical expedient have not been categorized within the fair value hierarchy.

Subsequent Events: Management has performed an analysis of the activities and transactions subsequent to June 30, 2017, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended June 30, 2017. Management has performed their analysis through December 15, 2017, the date the financial statements were available to be issued.

**NOTE 2 - CONTRIBUTIONS**

Unconditional promises are included in the financial statements as contributions receivable and revenue of the appropriate net asset category.

---

(Continued)

A PUBLIC BROADCAST STATION  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2017 and 2016

---

**NOTE 2 – CONTRIBUTIONS** (Continued)

Unconditional promises are expected to be realized as follows:

	<u>2017</u>	<u>2016</u>
Due in one year or less	\$ 10,319	\$ 14,854
Due in one to three years	<u>4,000</u>	<u>-</u>
	14,319	14,854
Less allowance	<u>(264)</u>	<u>(295)</u>
	<u>\$ 14,055</u>	<u>\$ 14,559</u>

**NOTE 3 - BROADCASTING EQUIPMENT**

Broadcasting equipment is reflected at cost and consists of the following at June 30, 2017 and 2016:

	<u>2017</u>	<u>2016</u>
Equipment	\$ 860,753	\$ 860,753
Accumulated Depreciation	<u>(636,651)</u>	<u>(585,408)</u>
	<u>\$ 224,102</u>	<u>\$ 275,345</u>

Depreciation expense for the years ended June 30, 2017 and 2016, was \$51,243 and \$51,894, respectively.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Fair value measurement accounting standards require the use of valuation techniques that are consistent with the market approach, the income approach and/or the cost approach. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources, or unobservable, meaning those that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In that regard, the accounting standards establish a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

---

**NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A description of the valuation methodologies used for assets and liabilities measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below.

Beneficial interest in Augustana College Investment Pool: The value of the beneficial interest is based upon the number of units invested in Augustana College's pooled endowment fund. The College provides the fair value of the pooled endowment fund. For alternative investments, the College generally uses the net asset value (NAV) of the investment to determine the fair value of these investments (market approach). WVIK has the ability to redeem their investment in the College's pooled endowment fund on a quarterly basis. The investment objective of the College's pooled endowment fund is to maintain appropriate diversification among equity, fixed income and alternative investment allocations. The purpose is to moderate the overall investment risk of the pooled endowment fund. As of June 30, 2017, there were no unfunded capital commitments.

Assets recorded at Fair Value on a Recurring Basis: The following table summarizes assets measured at fair value on a recurring basis as of June 30, 2017 and 2016, segregated by the level of the valuation inputs within the fair value hierarchy utilized to measure fair value:

		Fair Value Measurements as of June 30, 2017				
		Quoted Prices in Active Markets for Identical Assets <u>Fair Value</u>	Significant Other Observable Inputs <u>(Level 2)</u>	Significant Unobservable Inputs <u>(Level 3)</u>	<u>NAV</u>	
Assets	Beneficial interest in Augustana College Investment Pool	\$ 381,162	\$ -	\$ -	\$ -	\$ 381,162
		Fair Value Measurements as of June 30, 2016				
		Quoted Prices in Active Markets for Identical Assets <u>Fair Value</u>	Significant Other Observable Inputs <u>(Level 2)</u>	Significant Unobservable Inputs <u>(Level 3)</u>	<u>NAV</u>	
Assets	Beneficial interest in Augustana College Investment Pool	\$ 359,128	\$ -	\$ -	\$ -	\$ 359,128

**NOTE 5 - ALLOCATION OF COSTS**

Costs related to the donated facilities are allocated by Augustana College based on a percentage of the square footage occupied by WVIK. Administrative costs are also allocated based on a percentage of WVIK direct expenditures to a similar total of the College's expenditures, exclusive of capital outlays. The costs related to the donated facilities and administrative costs allocated to WVIK totaled \$340,889 and \$402,639 for the years ended June 30, 2017 and 2016, respectively.

**NOTE 6 - LEASE COMMITMENT AND TOTAL RENT EXPENSE**

WVIK leases tower space in two locations. The first location is in Bettendorf, Iowa, and is for the purpose of broadcasting its main signal. The second location is in Dubuque, Iowa, and is to re-broadcast its signal into Dubuque, southern Wisconsin, and northeast Illinois. The lease commitments are included below.

WVIK is currently in negotiations to renew their lease that expired December 2014 for the Bettendorf tower space from a third party, Nexstar Broadcasting Group Inc., for continuance through December 2020. Transmitter space is rented from KWQC Channel 6 for annual rent of \$2,500. WVIK continues to make rental payments on a monthly basis while the lease renewal is in negotiations.

The Dubuque tower space is leased from a third party, Finley Hospital, under a lease expiring in November 2023. The total annual minimum rental commitment as of June 30, 2017, is \$4,000.

The total rental expense under these agreements for the years ended June 30, 2017 and 2016, was \$54,750 and \$53,500, respectively.

At June 30, 2017 the future minimum lease payments required under these operating leases are as follows:

2018	\$ 56,020
2019	57,020
2020	58,020
2021	32,520
2022	6,520
Thereafter	<u>6,520</u>
	<u>\$ 216,620</u>

**NOTE 8 - ENDOWMENT FUND AND NET ASSET CLASSIFICATIONS**

The WVIK Endowment Fund consists of various donor restricted and unrestricted (or quasi-endowment) endowment funds. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

WVIK has interpreted the Illinois Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, WVIK classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, (d) the present value of estimated future receipts for beneficial interest in Augustana College investment pool and (e) subsequent changes in the value of WVIK's share of trust assets in Augustana College investment pool. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by WVIK in a manner consistent with the standard of prudence prescribed by the State of Illinois in its enacted version of UPMIFA. In accordance with UPMIFA, WVIK considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the Endowment Fund; (2) the purposes of WVIK and the donor-restricted Endowment Fund; (3) general economic conditions; (4) the possible effect of inflation and deflation; (5) the expected total return from income and the appreciation of investments; (6) other resources of WVIK; and (7) the investment policies of WVIK.

The College has adopted investment and spending policies for its Endowment Fund. The objective of these policies is to provide WVIK with a predictable funding stream for its programs while protecting the purchasing power of the Endowment Fund. The College, through its investment policy, has established a target annualized real (inflation-adjusted) rate of return over the long-term of an amount at least equal to the spending policy in order to avoid loss of purchasing power; the total return during any single measurement period may deviate from the long-term return objective. To satisfy its long-term rate-of-return objective, the College expects to maintain appropriate diversification among equity, fixed income, energy commodities and alternative investment allocations. The purpose is to moderate the overall investment risk of the Endowment Fund.

The WVIK portion of the College Endowment Fund will be used for purposes related to WVIK and will be made at the discretion of the Augustana College President, with recommendations by the WVIK General Manager. The amount appropriated, the spending policy, is a Board approved percentage up to 5% applied to the average fair value of the pooled endowment fund assets during the prior twelve quarters.

In cases where the fair value of endowment fund assets fall below the original value of the gifts donated to the permanent endowment, the Board has limited, by policy, the appropriation to no more than 25% of the original value of the gifts donated to permanent endowment. The Board approved spending percentage was 5% for the fiscal years ended June 30, 2017 and 2016. For the year ended June 30, 2017, there were no underwater endowment amounts. For the year ended June 30, 2016, there was \$4,956 of underwater endowment amounts.

**NOTE 9 - RELATED PARTY TRANSACTIONS**

WVIK is a unique department of Augustana College. Transactions between WVIK and the College are recorded as receivables and payables as due to/from balances in the statement of financial position. The purpose of these transactions is to assist in funding WVIK operations.

The transactions between WVIK and the College include gifts, investment earnings, unrealized appreciation, and payment of expenses by the College on behalf of WVIK. The due to College balance at June 30, 2017 and 2016, was \$64,113 and \$133,641, respectively. WVIK does not maintain separate bank accounts. Amounts collected on behalf of the station for restricted purposes, but not yet spent, are included as cash. There was \$98,620 and \$336,864 held by the College on behalf of WVIK for the years ended June 30, 2017 and 2016, respectively.
