

Project Status (August/September 2014):

Trackwork is scheduled to ramp up in the Central Business District in Fall 2014 and extend throughout early to mid-2015. Trackwork in the CBD will begin on Walnut Street at Central Parkway on August 11 and move south.

On September 2, crews will begin excavation on the Walnut and Main Street bridges over Fort Washington Way south of 3rd Street, and on 2nd Street between Walnut and Main. This work will continue until Opening Day 2015.
