MERCER COUNTY COMMUNITY COLLEGE 2016-2017 ANNUAL EEO REPORT ON-GOING COMPLIANCE INITIATIVES

Mercer County Community College ("College") is the licensee of a non-commercial educational radio station (the "Station") located on the campus of the College in Trenton, New Jersey. The College also serves Toms River Township, New Jersey and Cape May, New Jersey, and Pen Argyl, PA with full-service stations which carry the signal of Station WWFM, Trenton, as well as six translators which cover parts of New Jersey, Pennsylvania, Delaware, Maryland, and Colorado.

The Station employed seven (7) full-time employees during the reporting year. In January, 2016, one fulltime employee accepted an external position, so six (6) fulltime employees remained at the end of the current reporting period.

The Station and the College have a long history of commitment to the principle of equal opportunity in employment and continue to be dedicated to its implementation both in the Station's workforce and in the local central New Jersey community through ongoing outreach recruitment policies. The Station (as well as the College) has adopted, continually reviewed, and adhered to a written anti-discrimination policy:

PROHIBITION AGAINST DISCRIMINATION

Mercer County Community College is committed to equal opportunity and affirmative action. Discrimination on the basis of race, creed, color, national origin, ancestry, age, gender, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, nationality, political views, religion, disability unrelated to job or program requirements or any other characteristic protected by law is prohibited.

The Station (as well as the College) also is committed to eliminating all forms of illegal harassment anywhere in the workplace.

PROHIBITION AGAINST HARASSMENT

I. Mercer County Community College is committed to an environment in which all individuals are treated with respect and dignity. Each individual has the right to work and learn in a collegial and professional atmosphere that promotes equal opportunities and prohibits discriminatory practices, including harassment. Therefore, the Station expects that all relationships among persons on campus will be mutually respectful, free of bias, prejudice and harassment.

II. It is the policy of the Station to encourage reporting of all perceived incidents of discrimination or harassment and to investigate such reports. The Station prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports.

III. This Prohibition Against Harassment policy applies to all employees, students, vendors, contractors, visitors, guests and other individuals participating in any event at the Station while they are on college property or are participating in a college-sponsored activity off campus, such as but not limited to, business trips, business meetings, business-related social events, athletic events, student conferences, and any college-sponsored excursion.

IV. Sexual harassment constitutes discrimination and is illegal under federal, state, and local laws. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example:

A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

B. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

C. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

V. Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include, but are not limited to:

A. Unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies;

B. Leering, whistling, or touching; insulting or obscene comments or gestures;

C. Display or transmission in the workplace of sexually suggestive objects or pictures; and other physical, verbal, or visual conduct of a sexual nature.

VI. Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, creed, color, national origin, ancestry, age, sex, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, nationality or disability or any other characteristic protected by law or that of his/her relatives, friends or associates, and that:

A. Has the purpose or effect of creating an intimidating, hostile, or offensive work or academic environment;

B. Has the purpose or effect of unreasonably interfering with an individual's work or academic performance; or

C. Otherwise adversely affects and individual's employment or educational opportunities.

Harassing conduct includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes; and written or graphic material that denigrates or shows hostility or aversion toward an individual or group and that is placed on walls, or elsewhere on campus, circulated in the workplace or transmitted electronically.

These non-discrimination and anti-harassment policies are posted on employee bulletin boards. The College ensures uniform adherence to these non-discrimination policies through annual on-site EEO seminar training for all full-time and part-time employees through training in employment law at the Mercer County Community College Discrimination and Harassment Workshop. Station employees participate in EEO Workshop sponsored by the College.

The Station has in place an operational community outreach program that has been utilized in filling all part-time vacancies. This program includes on-air vacancy announcements. This outreach announcement provides:
