### OBJECTIONS TO THE CANDIDACY PAPERS OF MAYORAL CANDIDATES

On January 5, 2018 objections were filed to the candidacy papers of Chris Frederickson and Scott Counter by Alex Young. Pursuant to the state statute responses to those objections were received by the Clerk on January 8, 2018.

I consulted with the City Attorney on the law governing the challenges. I also discuss this matter with the City Administrator.

In my capacity as the City Clerk/Filing Clerk I have determined that pursuant to state law, the election administrative code and pamphlets from the Wisconsin election commission that the challenges are valid. My reasoning for upholding the challenges is attached. A copy of my decision has been sent to the three individuals named above.

My decision speaks for itself and I will have no further comment. State law allows review of my decision by the Wisconsin election commission.
