

our community. our nation. our world.

Calling all communications / journalism/ broadcasting students!

WYSO is pleased to announce:

WYSO News Internship Available

Responsibilities: Assisting WYSO News staff with the reporting and production of broadcast and web news content; assisting on-air hosts; participating in group editing sessions; researching, writing and editing news stories; producing audio and photography; covering breaking news; other assignments as needed

Qualifications: Strong interest in journalism, public media news and public radio; excellent writing and communication skills; curious and willing to learn; demonstrated attention to detail; journalism and audio-editing experience a bonus, but not required

Application process: Please submit your resume, cover letter, hours/days of availability and duration of desired internship to:

Jess Mador, Managing Editor
WYSO 91.3 Public Radio for the Miami Valley
150 E. South College Street
Yellow Springs, OH 45387
jmador@wyso.org

Terms: This is an unpaid internship, but you will gain valuable work experience with a nationally-recognized public radio station. We will complete any kind of evaluation required for you to earn course credit.
