

# CELEBRATION OF SCIENCE

APRIL 22, 2017

## WHEN

April 22, 2017  
11 am - 3 pm

## WHERE

John Dam Plaza  
1815 George Washington Way, Richland

## WHY

Science is vital to making America strong, spurring innovation, and enabling entrepreneurs. It increases understanding, leading to better, healthier lives. It is our moral mission to sustain and promote science that serves the interests of all humans.

## FEATURING

- Community leaders on importance of science
- Scientists on local scientific studies
- Booths with science-based activities for kids and families
- Real, live scientists for you to “Ask Me Anything”
- Food trucks on-site for fueling scientific curiosity; nearby restaurants in the Parkway or on George Washington Way.
