BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

**SECTION 1.**

Article 1 of Chapter 3 of Title 20 of the Official Code of Georgia Annotated, relating to definitions, is amended by designating the existing text as Part 1 and adding a new part to read as follows:

"Part 2

20-3-10.

(a) As used in this part, the term 'postsecondary institution' means a school which is:

(1) A unit of the University System of Georgia;

(2) A branch of the Technical College System of Georgia;

(3) A private independent nonproprietary postsecondary institution eligible for tuition equalization grants in accordance with the provisions of subparagraph (A) of paragraph (2) of Code Section 20-3-411; or

(4) A private proprietary postsecondary institution eligible for tuition equalization grants in accordance with the provisions of subparagraph (B) of paragraph (2) of Code Section 20-3-411.

(b) Every postsecondary institution in this state that receives information, other than information provided to an employee privileged under the laws of this state, which would lead such institution to reasonably believe that a crime which is a felony under the laws of

25 this state has been committed by a student enrolled in such postsecondary institution or in  
26 or on the campus of such postsecondary institution shall promptly report such crime to the  
27 campus law enforcement agency or other appropriate law enforcement agency. If the  
28 felony involves an alleged sexual assault, no information which specifically identifies the  
29 victim shall be provided in the report without the consent of the victim. Such law  
30 enforcement agency shall then determine whether to investigate such alleged criminal  
31 offense and whether to report such findings to the appropriate prosecutor's office. No  
32 criminal investigation of such matter shall be undertaken by the postsecondary institution  
33 unless such investigation is done by a campus law enforcement agency staffed by law  
34 enforcement officers who are certified peace officers by the Georgia Peace Officer  
35 Standards and Training Council. Nothing contained in this subsection shall require a  
36 victim of an alleged sexual assault to cooperate with law enforcement in any investigation  
37 or to participate in any subsequent prosecution.

38 (c) Separate from any criminal investigations, prosecutions, or adjudications occurring in  
39 accordance with subsection (b) of this Code section, each postsecondary institution is  
40 expected to meet its duty of care to protect the campus community as required by law. The  
41 postsecondary institution may pursue interim measures necessary to meet its duty of care.  
42 The postsecondary institution may pursue formal disciplinary actions, against any student  
43 for any violation of its code of conduct pursuant to the postsecondary institution's general  
44 disciplinary process for students. However, no student shall be subject to any interim  
45 discipline, suspension, or expulsion for any violation of the postsecondary institution's code  
46 of conduct pursuant to the postsecondary institution's general disciplinary process for  
47 students arising from the same acts or occurrences which are the basis for any criminal  
48 investigations, prosecutions, or adjudications occurring in accordance with subsection (b)  
49 of this Code section without being provided the opportunity of a hearing affording due  
50 process protections to the accused student. No disciplinary investigation shall obstruct or  
51 prejudice an ongoing criminal investigation. No postsecondary institution shall require a  
52 victim of an alleged sexual assault to cooperate in any disciplinary investigation or to  
53 participate in any subsequent disciplinary proceedings. However, no disciplinary  
54 proceedings based upon an alleged sexual assault shall be conducted by a postsecondary  
55 institution without the participation of the victim of such alleged sexual assault.

56 (d) This Code section shall not supersede federal statutes or properly promulgated federal  
57 regulations to the contrary but shall supersede in the case of federal guidance letters and  
58 other expressions of opinion regarding policies by federal agencies.

59 (e) Notwithstanding anything to the contrary in this Code section, no official or employee  
60 of a postsecondary institution shall be required to include any information or statements  
61 in any report to the appropriate law enforcement agency or district attorney which is an

62 admission or communication excluded from evidence pursuant to Code Sections 24-5-501,  
63 24-2-502, and 24-5-509."

64 **SECTION 2.**

65 This Act shall become effective on August 1, 2017.

66 **SECTION 3.**

67 All laws and parts of laws in conflict with this Act are repealed.
